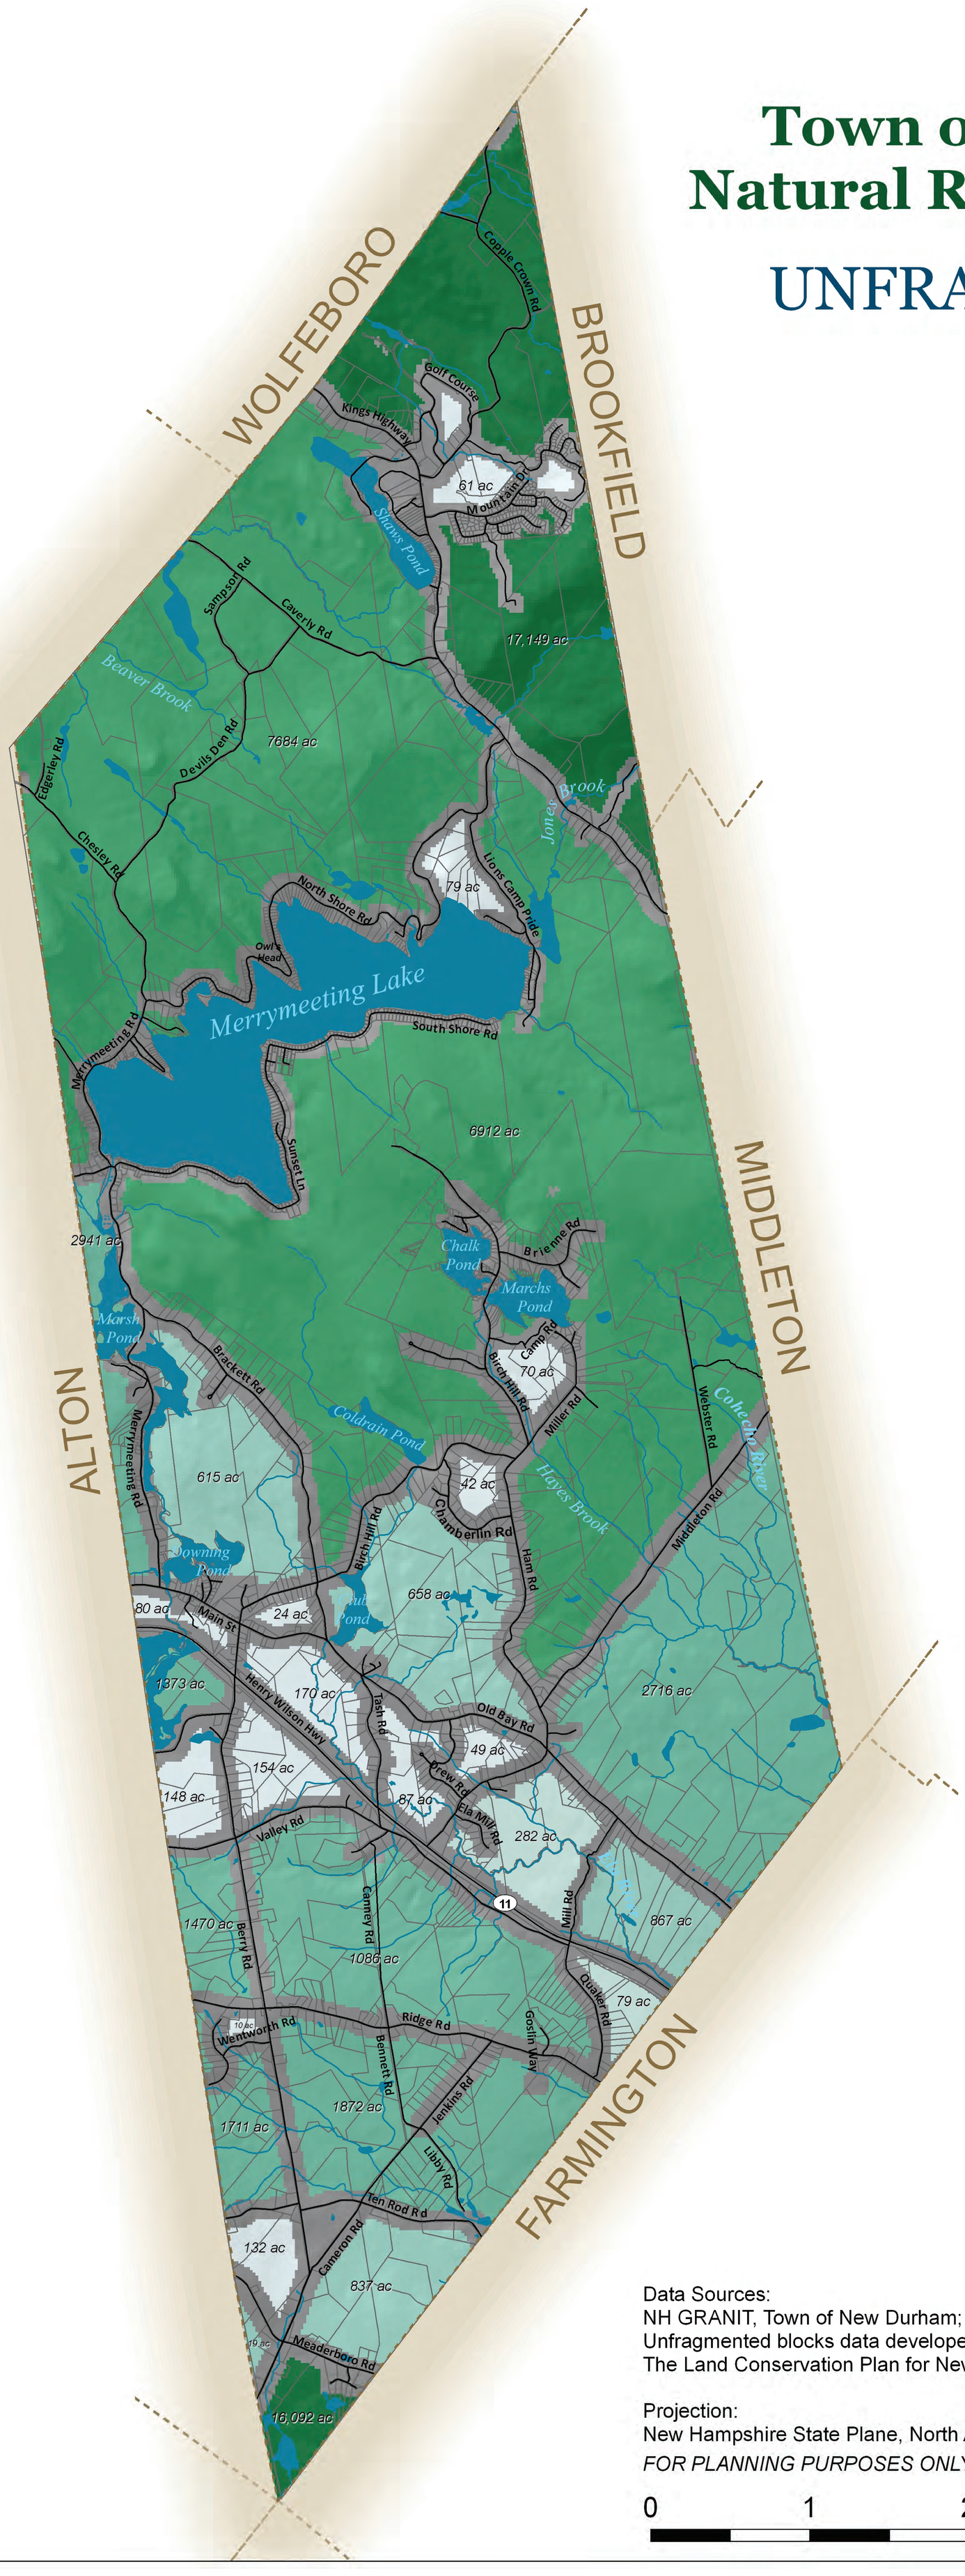
UNFRAGMENTED LANDS



Legend

- Town Boundaries
- Tax Map Parcels
- Roads
- Streams & Rivers
- Lakes & Ponds

Unfragmented Blocks*

- <250 acres
- 250-499 acres
- 500-999 acres
- 1,000-4,999 acres
- 5,000-9,999 acres
- >10,000 acres

** Denotes total acreage of block, including area outside the town boundary.*

Unfragmented blocks of habitat are large pieces of land which are not bisected by a maintained road; typically there are few or no houses, businesses or other human habitation. These areas can include forests, meadows, open water, wetlands, and agricultural fields. Unfragmented blocks of land sustain diverse communities of plant and animal species, provide recreational opportunities for the community and often provide or protect important scenic resources.
