## Election Districts

US Congress: District 1  
Executive Council: District 1  
State Senate: District 6  
State Representative: Strafford County District 3, 18

## Incorporated: 1762

Origin: Granted in 1749 as Cocheco, New Durham was first settled almost entirely by colonists from Durham, New Hampshire. Colonel Thomas Tash, who had fought in England's Seven Years War against France and was granted land in reward for his service, was appointed proprietor's clerk and called the first town meeting. The town was incorporated as New Durham in 1762. An early minister in the town,

# New Durham Profile

Reverend Benjamin Randall, founded a new religious denomination called the Free-Will Baptists, later known as Free Baptists.

**Villages and Place Names:** Copple Crown Village District

**Population, Year of the First Census Taken:** 554 residents in 1790

Population Trends: Population change for New Durham totaled 2,123 over 49 years, from 583 in 1970 to 2,706 in 2019. The largest decennial percent change was a 103 percent increase between 1970 and 1980, followed by a 65 percent increase between 1980 and 1990. The 2020 Census estimate for New Durham was 2,696 residents, which tied with Chichester, ranking 114th among New Hampshire's incorporated cities and towns.

Population Density and Land Area, 2019 (US Census Bureau): 65.4 persons per square mile of land area. New Durham contains 41.4 square miles of land area and 2.5 square miles of inland water area.

## **Municipal Services:**

Type of Government: Selectmen

Youth Sports Include T-Ball, baseball, soccer, football, basketball, skiing, etc.

There are snowmobile trails, bicycle trails, cross country skiing, and hiking trails.

Overnight or Day Camps include Birch Hill Summer Camp, Lion's Pride Camp and Camp Maranatha Inc.

Nearest Down Hill Ski Area is Gunstock (18.5 miles).

## Board of Selectmen – Annual Report

The Board of Selectmen believes that as elected officials it is imperative that we provide a high level of service to our citizens and that we be responsive to their needs. Advocating on their behalf, the Selectmen must be responsible in budgeting, provide effective planning, have prudent utilization of technology, and develop innovative ideas in responsibly managing the Town's government. New Durham made significant positive changes in the latter half of 2023 that now provides a framework for professional management in virtually all Town Departments. With the changes made in late 2023 in Town Government New Durham is again providing effective delivery of services, proper planning, fiscal responsibility, and a balanced respect for our environment.

Following the March 2023 election the Select Board re-aligned to its goals forming the framework for the milestones achieved during the year. These goals revolved around three major initiatives: 1) Taxpayer Value, 2) Fiscal Responsibility with Accountability, and 3) Operational Improvements. All actions in 2023 by the Board adhered to core values that can be expressed in three guiding principles as follows:

- a) Do justly – this core value provides a guideline in making all decisions. Examples of this would include the Board's actions in employment decisions, wage adjustment actions, providing customer services, and assuring taxpayer value.
- b) Show compassion and kindness in all actions – the Board's concern and consideration for the Town's residents and taxpayers is reflected in our responsiveness to emergencies with perhaps the primary example of that created by the unexpected December rain storm damage to Middleton Road and its subsequent closure requirement. This emergency road damage required fast action by the Board to address the issue and mitigating a longer timeframe repair. The Board, in collaboration with the Town's Budget Committee, our vendor (M.A. Bean), and the amazing and professional responsiveness by the Town's Department of Public Works and Public Safety employees addressed this emergency in a sound fiscally and operationally responsible manner. In addressing this Middleton Road culvert / bridge emergency caused by the mid-December rain storm the Board with its collaborators noted above was able to define the funding sources to reduce tax implications to the maximum extent possible to Town taxpayers., and
- c) Act humbly – the Board has continuously listened to our residents, employees, taxpayers, and visitors to assure we address ongoing concerns. Multiple examples include establishing speed limits consistently on various Town roads, new radios for improved communication in Department of Public Works (DPW), improvements in various recreational economic development areas such as selected snowmobile roads, establishing more productive hours for DPW and more convenient hours for Tax Collector / Town Clerk, etc.

The vision is for New Durham to be an organizational model for the effective and efficient providing of Town services. The Select Board believes New Durham has a set of resources and assets that can be leveraged for strong local and regional economic growth. New Durham strives to be a diverse, attractive community resulting in a highly desirable location for people to live.

### Operational Improvements

During 2023 the Select Board determined that significant transition adjustments to the positions of Town Administrator and Finance were imperative to enhance the Town services that residents and taxpayers deserve. These transitions required significant operational changes including: a) the hiring of a professional, experienced manager for Town Administrator (Cecile Chase) allowing a transition from full time to part time and concurrently reducing taxpayer costs while enhancing management efficiency, and 2) transitioning the Finance administration to a highly experienced finance professional (Vickie Blackden) again allowing the position to move to a part time position but also addressing a more assured financial accounting process for the Town. These newer employees are residents of New Durham and both have provided excellent service to the Town in a variety of capacities in prior years. Both have already resolved several issues stemming from Board concerns arising early in 2023 and continue to provide the excellent service expected in these important services.

A fundamental requirement for any organization that wishes to succeed in today's economic environment is operational improvement. It plays an enormous role in driving cost containment, service excellence, and taxpayer value. With these operational improvements the residents, taxpayers, and visitors to New Durham have access to more information through a multitude of communication improvements. Examples include the ongoing communications from our Department of Public Works keeping the public informed on weather influenced road conditions and an ongoing road work, excellent customer service from Town Clerk, Tax Collector and Land Use Departments including the willingness to arrange for communication even during daytime hours when the office may be closed, and quick responsiveness from our public safety departments (police and fire).

The examples described above are not all inclusive of the many important changes made in latter part of 2023. An overview of other selected Selectmen's primary actions for 2023 is provided in the following table:

#### **New Durham Board of Selectmen – Overview of Selected 2023 Significant Actions**

##### **Tax Payer Impact and Cost Containment**

- 1) Tax rate reduction – applied \$250K of Unassigned Fund Balance to 2023 tax rate while preserving guideline reserves; continuing work to assure sustainability of lower rates beyond 2023
- 2) Maximum Impact Fee available returned to tax payer (\$98,536); used to reduce taxpayers local school tax rate (approximately \$0.16 / \$1,000 assessed valuation)
- 3) Locked in 2024 fixed price for electricity assuring managed electrical energy costs for New Durham in 2024

##### **Public Safety & Operational Related**

- 4) Acquired new voting booths, approval for new voting machines, acquired new poll pads

## New Durham Board of Selectmen – Overview of Selected 2023 Significant Actions

- 5) New radios for improved communication – Department of Public Works (DPW)
- 6) New computers – Town Hall, DPW, Police, etc.
- 7) New police cruiser, tasers, etc.
- 8) Replaced library roof, DPW / SWF insulation and other structural improvements,
- 9) Modified and / or defined speed limits on various Town roads. Purchased for 2024 utilization speed board to be assigned to specified Town road(s).
- 10) Addressed Middleton Road culvert / bridge emergency caused by mid-December rain storm and the Board defined funding sources to reduce tax rate implications to Town tax payers.
- 11) Established a trial outside contracting process for snow removal on Kings Highway to save costs and provide faster snow removal service for that area.

### Other

- 12) New Interim Town Administrator, Finance Officer, Police Officer (PT), etc. hired during 2023
- 13) Infrastructure improvements to enhance recreational economic development such as road improvements for snowmobile trails at Devils Den, Webster Rd, Berry Rd, Brackett Rd., Quaker Rd., Willy Rd, etc.
- 14) Address various audit issues from 2014, 2016, and 2022 by establishing two charitable donation trusts and correcting CRT / ETF / General Fund transactions
- 15) Changed assessment approach for utility owned assets (New Durham property) to improve tax collection opportunities
- 16) The Board, through an appointed and now sunsetted committee, identified priorities on potential sites for a new public building to address the Town's long term growth needs.

### Tax Rate Issues

Perhaps the most visible responsibility of an elected official is establishment of the operating and asset replacement budgets that lead to tax rates for the municipality and then to be responsible and prudent stewards of the taxes received.

The total property tax rate you pay is composed of four different elements: 1) Town operating and special warrant costs; 2) Governor Wentworth Regional School District taxes; 3) Strafford County taxes; and 4) State of New Hampshire Education taxes. **The Selectmen only have jurisdiction over the town operating and special warrant budget and expenses.**

In 2023 the total tax rate has not gone down because the other three elements (Governor Wentworth Regional School District, Strafford County, and State of New Hampshire Education) have often increased each year. It is important to note the Governor Wentworth School District taxes are set by the Governor Wentworth School Board independent of any New Durham Selectmen action.

The following graph provides the tax rate detail for these various elements of your property tax rate for the past four years. Perhaps the most important point to conclude from this graph is to note the dramatic tax rate differences for the Town compared to the increase trends for virtually all other elements in your total tax rate. The Town's rate in four years has increased \$0.94 while the school tax rate had increased \$1.79 (rate comparison differences are taxes per \$1,000 assessed valuation).

Two important factors contributed to the Town's 2023 tax rate reducing it from what could have been a much too high rate. First, the Department Heads, Board of Selectmen, and Budget Committee all worked collaboratively to present a budget that would assure that there was no reduction in services for the town. Secondly, and perhaps more importantly, the Board of Selectmen applied \$250,000 from the Town's Unassigned Fund Balance to reduce your municipal tax rate. This accounts for a reduction of approximately \$0.40 per thousand dollar valuation on your property. As the Board of Selectmen developed this tax rate reduction approach it was critical that we would be confident to provide an assurance of sustainability for this lower tax rate beyond 2023.

The amount applied to the tax rate reduction still allows the Town to retain an agreed upon reserve level per the guideline developed in 2014. This should maintain sufficient funds to address cash flow needs, limited emergencies, and other potential unexpected expenses in 2024. The guideline is 8% of operational budget based on the total regular, general fund operating expenditures (i.e. excluding any

special warrants, etc.). This guideline of 8% fully meets all DRA requirements and the Selectmen used approved DRA methodology in calculating this reserve level guideline.

**Conclusion**

The Board of Selectmen want to thank the Town employees; all those who sit on the Town's boards, committees, and commissions; and the many other volunteers that make New Durham a diverse, attractive community resulting in a highly desirable location for people to live. The Selectmen are pleased to collaboratively work with all of these in helping to maintain and improve the quality of service offered to you at the most cost efficient level.

Respectfully submitted,

New Durham Select Board

# Town of New Durham, New Hampshire

Warrant & Budget 2024

## TOWN of NEW DURHAM

### 2024 TOWN WARRANT

To the inhabitants of the Town of New Durham, in the County of Strafford, in said State of New Hampshire qualified to vote in Town affairs:

You are hereby notified that the Second Session of the Annual Town Meeting of the Town of New Durham will be held as follows:

#### **First Session of Annual Meeting – Deliberative**

The first session, the Deliberative Session, of the 2024 Town Meeting was held on **Tuesday, February 06, 2024** at 7:00 P.M. at the New Durham School Gymnasium located at 7 Old Bay Road in New Durham, NH.

#### **Second Session of the Annual Meeting - Voting**

The Second Session, the voting on all warrant articles, shall be held on **Tuesday, March 12, 2024** from **8:00 A.M. to 7:00 P.M.** in the New Durham School Gymnasium, located at 7 Old Bay Road in New Durham, NH, where there will be voting by official ballot for the election of Town Officers and all Warrant Articles with any amendments as made at the Deliberative Session.

**ARTICLE 1:** To choose all necessary town officers for the ensuing year:

<b>Number of Positions</b>	<b>Office</b>	<b>Candidate</b>	<b>Term of Office</b>
1	Selectman	Dorothy Veisel Ken Ross-Raymond	3 Years
2	Budget Committee	Kenneth Fanjoy Jeffery Kratovil Paul Patrick Perry	3 Years 3 Years
1	John C. Shirley Cemetery Trustee		3 Years
2	Library Trustee	Bill Meyer Marilee DeCoff	3 Years
1	Moderator	Linda Callaway	2 Years
1	Planning Board	Jeffery Allard	3 Years
1	Supervisor of the Checklist	Angela Pruitt	6 Years
1	Trustee of the Trust Funds	David Bickford	3 Years
1	Zoning Board of Adjustment		3 Years
1	Zoning Board of Adjustment		1 Year

**Article 2:** Are you in favor of Amendment No. 1 to the New Durham Zoning Ordinance as proposed by the Planning Board as follows: Amend Article VI, General Provisions / Use Regulations, to reduce the setback for septic tanks from the edge of a public water body from 125 feet to 75 feet; and apply the leach field setback of 20-40 feet from property lines, depending on the size of the lot, to privies and septic tanks as well. And Delete Article XX.G to maintain consistency with leach field setbacks. Also, to change the reference in Table 8 regarding wetland and water body setbacks to identify setbacks to "leach fields" rather than "septic systems."

**Majority Vote Required**

Yes \_\_\_\_\_ No \_\_\_\_\_

**The Planning Board recommends this article by a 5 to 0 vote.**

**Article 3:** Are you in favor of Amendment No. 2 to the New Durham Zoning Ordinance as proposed by the Planning Board as follows: Amend Article XIV, Shorefront Conservation Overlay District, to remove the requirement that deviations from the district's requirements obtain both a variance and a special exception; to clarify the difference between wetland buffers and wetland setbacks; to clarify that nonconforming structures (which includes dwellings, garages, ADUs and sheds greater than 80 SF) within the Overlay District may be demolished and rebuilt provided the rebuilt structure's footprint does not exceed the original structure's footprint, and the rebuilt structure contains only two stories; to provide that construction of dwellings, garages, ADUs and sheds greater than 80 SF within the 75 foot Waterfront Setback requires a Conditional Use Permit from the Planning Board; to require the building inspector / code enforcement officer to review all plans before disturbance of land and / or soil removal; and to remove the required leach field setbacks for nonconforming buildings.

**Majority Vote Required**

Yes \_\_\_\_\_ No \_\_\_\_\_

**The Planning Board recommends this article by a 5 to 0 vote.**

**Article 4:** Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by the vote of the first session, for the purposes set forth therein, totaling \$4,052,423. Should this article be defeated, the default budget shall be \$4,033,440, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold a special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

**Majority Vote Required**

[Note: Operating Budget & Default Budget includes the Library Budget.

Estimated Tax Rate Impact – 2024 Proposed Budget: \$ 6.538 per \$1,000 assessed valuation.

Estimated Tax Rate Impact – 2024 Default Budget: \$ 6.507 per \$1,000 assessed valuation.

Default Budget of the Municipality

New Durham

For the period beginning January 1, 2024 and ending December 31, 2024

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

**TOWN of NEW DURHAM**  
**2024 SB2 Deliberative Session Town Meeting**  
**Tuesday, February 6, 2024**  
*7 Old Bay Road, New Durham School, New Durham, NH*

**PRESENT**

Linda Callaway, Moderator  
Alicia Housel, Town Clerk  
Cecile Chase, Interim Town Administrator  
Christine Johnston, Esq., Town Counsel  
David Swenson, Chair of Board of Selectmen  
Marc DeCoff, Member of Board of Selectmen  
Dorothy Veisel, Member of Board of Selectmen – excused absence  
Terry Jarvis, Chair Budget Committee  
Ken Fanjoy, Vice Chair Budget Committee  
Ken Ross-Raymond, Member Budget Committee  
David Bickford, Member Budget Committee  
Ellen Phillips, Member Budget Committee  
Kelly Bisson, Budget Committee Cople Crown Village District Representative  
Susan DeRoy, Member Budget Committee – excused absence  
Jeff Allard, Chair of Planning Board  
Bob Craycraft, Member Planning Board  
Scott Drummey, Member Planning Board  
Anne Ross-Raymond, Member Planning Board  
Pat Grant, Chair Supervisors of the Checklist  
Chris Baca, Member Supervisors of the Checklist  
Angela Pruitt, Member Supervisors of the Checklist.

**ALSO PRESENT**

38 Registered Voters.

**CALL TO ORDER**

Moderator Callaway opened the 2024 Deliberative Session on February 6, 2024 at 7:00 PM. Select Board Chair Swenson led the attendees in the Pledge of Allegiance.

**TOWN OF NEW DURHAM – DELIBERATIVE SESSION**

**February 6, 2024**

**New Durham School**

Moderator Callaway invited the Budget Committee and Select Board each to open and recess their meetings.

**MOTION:** To open the Budget Committee meeting of February 6, 2024 at 7:00 PM. Motion by Chair Jarvis. Second by Mr. Fanjoy. Motion passed 6-0-0.

**MOTION:** To recess the Budget Committee meeting until the end of the Deliberative Session. Motion by Chair Jarvis. Second by Mr. Fanjoy. Motion passed 6-0-0.

**MOTION:** To open the Board of Selectmen meeting of February 6, 2024 at 7:00 PM. Motion by Chair Swenson. Second by Selectman DeCoff. Motion passed 2-0-0.

**MOTION:** To recess the Board of Selectmen meeting until the end of the Deliberative Session Motion by Chair Swenson. Second by Selectman DeCoff. Motion passed 2-0-0.

Members of the Boards, Committee and Town were introduced.

Chair Swenson presented the Community Recognitions & 2023 Milestones.

Moderator Callaway: The Town Deliberative Session is the opportunity for all interested registered voters in town to participate in reviewing, discussing, and/or amending (by in-person vote this evening) the slate of Articles which will appear on our Town Warrant at the March Elections. The Deliberative Session is not a Select Board or Budget Committee meeting, although they may have opened and recessed a meeting during this session. The Select Board and Budget Committee members are participating as registered voters, just as you and I, however, their expertise with some subjects may be critical to our understanding of any given Article. This is your opportunity to ask questions and propose amendments to the Warrant Articles. If you don't understand something or need any clarification, please ask. Actual voting on the Warrant Articles will take place on Tuesday, March 12, 2024, from 8:00 AM to 7:00 PM at the New Durham School gymnasium.

Please be aware we are limited in what we may do tonight. We may amend or modify, but we may not change the subject matter of any Article. In the case of Zoning Articles, we cannot amend or modify. Discussion will be limited to what can be done at this meeting, but that doesn't mean you shouldn't ask questions to make sure you understand the proposed Articles. We may not remove an Article from the Warrant, but merely vote on whether articles presented tonight will move to the official ballot as written or as amended. Each Article will be introduced, moved to the floor and seconded, and then I will recognize someone for up to 10 minutes to provide an explanation in support of the article. Members of the public will then be allowed to speak as they are recognized by the Moderator. During the discussion of an Article, if a written amendment has been proposed and seconded, there will be a hand count vote. If the amendment passes (and there is no further discussion or other amendments proposed), that version of the Article will appear on the Town Warrant; if the amendment fails, the original Article will be moved forward as written. Once each Article has been moved forward and deliberation and/or voting has been completed, I would ask that someone make a motion to "Restrict the Article from Reconsideration", have someone else second the motion, and we vote on the motion to Restrict. This will allow the meeting to move smoothly through the Articles and not have them resurface later in the session.

**TOWN OF NEW DURHAM – DELIBERATIVE SESSION**

**February 6, 2024**

**New Durham School**

We will then move on to the next Article until all Articles have been debated and moved on. I will make a few closing remarks before ending the Deliberative Session and turning things over to the Select Board.

This meeting is of town registered voters, who should have received a voter's card after checking in with the Supervisors of the Checklist before taking their seats. If you have not done so, please check-in and get your voter's card now. Other people may attend, but generally will not be allowed to speak unless it is determined they have information pertinent to the discussion. Warrant articles presented by the Planning Board are governed by NH statutes which contain public hearing provisions. Discussion and questions are allowed, however, the Planning Board Articles go directly to the ballot and cannot be amended by the voters at today's Deliberative Session.

All other Warrant Articles are subject to the Deliberative Session procedures.

**Second Session of the Annual Meeting - Voting**

The Second Session, the voting on all warrant articles, shall be held on **Tuesday, March 12, 2024** from **8:00 A.M. to 7:00 P.M.** in the New Durham School Gymnasium, located at 7 Old Bay Road in New Durham, NH, where there will be voting by official ballot for the election of Town Officers and all Warrant Articles with any amendments as made at the Deliberative Session.

Moderator Callaway outlined her rules for order during the meeting:

*Each Warrant Article, when announced, will be acted upon as follows:*

- *Warrant Articles considered tonight will be shown on the screen and read by the Moderator in the order in which they appear. After the article has been read, I will recognize someone for up to 10 minutes to explain the Article. A slight extension may be permitted if the topic of the Article is particularly complicated. In most cases, this will be a member of the Select Board, the Planning Board, or, if filed by petition, a town voter. Members of the public will then be allowed to speak. There are copies of the Town Warrant available to those voters in attendance.*
- *Debate will be encouraged from the voters present, but only one person at a time will be recognized. Please be concise, offer comments relevant to the topic at hand, speak in a courteous manner, and no personal attacks will be permitted.*
- *To speak, you must hold up your voter's card, be recognized by the Moderator, go to the microphone, and clearly state your name and address for the Minutes. If you cannot get to the microphone, let us know and a microphone will be brought to you.*
- *All speakers will be limited to 3 minutes, and all comments must be addressed to me, as Moderator, and not to any other person in attendance. Once you are finished speaking, please yield the microphone to the next person. All voters wishing to speak will be given the opportunity to do so, however a speaker may be recognized for a second time only after all other speakers have been heard. A speaker may not repeat previous comments.*

**TOWN OF NEW DURHAM – DELIBERATIVE SESSION**

**February 6, 2024**

**New Durham School**

- *An Amendment must be made by motion and require a second to be considered, however it must also be in written form and presented to the Moderator to be sure the information is being properly recorded before any vote can be taken.*
- *Voting will be done by holding up your voting card at the appropriate time during a vote. A secret vote may be requested by five (5) voters and must be requested before the discussion of that particular Article has begun.*
- *If carried, the Article as amended, will be placed on the ballot in lieu of the original Article.*
- *If the amendment is not carried, the original Article will be on the ballot as written.*
- *Only one amendment will be allowed at a time.*
- *At the conclusion of the above procedures for each Article, whether deliberated upon or not, the Moderator will entertain a motion to “Move to Restrict Reconsideration” of the Article, ask for a second, vote on and announce if the motion passes, and move on to the next Warrant Article.*
- *Amendments to Amendments and Negative Amendments are not allowed.*
- *Amendments to financial amounts must be stated in dollar amounts to be accepted.*
- *Voter cards will be raised by voters when voting on amendments. Close votes will be counted by assistants to the Moderator.*
- *Warrant Articles do not require a motion to be passed on to the ballot. As discussed above, unless amended by the voters present at today’s Deliberative Session, they will be automatically presented as written on the March 12, 2024, Election Ballot.*
- *The Moderator will not allow any Motion to Restrict from Reconsideration until there has been time provided for voters to discuss and/or amend any Article presented.*

*By majority vote, any voter can overrule any decision the Moderator makes or rule the Moderator establishes. The voter may raise such a request as a Point of Order.*

**Article 1: The Election of Officers:**

*To choose all necessary town officers for the ensuing year:*

<b>Number of Positions</b>	<b>Candidates</b>	<b>Office</b>	<b>Term of Office</b>
1	Ken Ross-Raymond Dorothy Veisel	Selectman	3 Years
1	Linda Callaway	Moderator	2 Years
2	Ken Fanjoy Paul Patrick Perry Jeff Kratovil	Budget Committee	3 Years 3 Years
1		John C. Shirley Cemetery Trustee	3 Years
2	Marilee DeCoff Bill Meyer	Library Trustee	3 Years 3 Years
1	Jeff Allard	Planning Board	3 Years

**TOWN OF NEW DURHAM – DELIBERATIVE SESSION**

**February 6, 2024**

**New Durham School**

1	Angela Puritt	Supervisor of the Checklist	6 Years
1	David Bickford	Trustee of the Trust Funds	3 Years
1		Zoning Board of Adjustment	3 Years
1		Zoning Board of Adjustment	1 Years

**Article 2:** *Are you in favor of Amendment No. 1 to the New Durham Zoning Ordinance as proposed by the Planning Board as follows: Amend Article VI, General Provisions / Use Regulations, to reduce the setback for septic tanks from the edge of a public water body from 125 feet to 75 feet; and apply the leach field setback of 20-40 feet from property lines, depending on the size of the lot, to privies and septic tanks as well. And Delete Article XX.G to maintain consistency with leach field setbacks. Also, to change the reference in Table 8 regarding wetland and water body setbacks to identify setbacks to "leach fields" rather than "septic systems."*

**Majority Vote Required**

Yes \_\_\_\_\_ No \_\_\_\_\_

*The Planning Board recommends this article by a 5 to 0 vote.*

Moderator Callaway opened the meeting to discussion for Article 2.

Jeff Allard, Chair of the Planning Board, explained this proposal was brought to the Planning Board by both the ZBA and the Building Inspector; it will separate the setbacks for septic tanks and leach fields; he stated this is particularly relevant to small lots that don't have the space for the waterfront setbacks.

**Article 3:** *Are you in favor of Amendment No. 2 to the New Durham Zoning Ordinance as proposed by the Planning Board as follows: Amend Article XIV, Shorefront Conservation Overlay District, to remove the requirement that deviations from the district's requirements obtain both a variance and a special exception; to clarify the difference between wetland buffers and wetland setbacks; to clarify that nonconforming structures (which includes dwellings, garages, ADUs and shed greater than 80 SF) within the Overlay District may be demolished and rebuilt provided the rebuilt structure's footprint does not exceed the original structure's footprint, and the rebuilt structure contains only two stories; to provide that construction of dwellings, garages, ADUs and shed greater than 80 SF within the 75 foot Waterfront Setback requires a conditional use permit from the planning board; to require the building inspector / code enforcement officer to review all plans before disturbance of land and / or soil removal; and to remove the required leach field setbacks for nonconforming buildings.*

**Majority Vote Required**

Yes \_\_\_\_\_ No \_\_\_\_\_

**TOWN OF NEW DURHAM – DELIBERATIVE SESSION**

**February 6, 2024**

**New Durham School**

*The Planning Board recommends this article by a 5 to 0 vote.*

Moderator Callaway opened the meeting to discussion for Article 3.

Chair Allard stated new requirements were established two years ago for setbacks within the shorefront setback and this amendment is clarifying the language regarding moving the structure as far back as possible; he stated it also addresses the concept of whether foundations are grandfathered but per the State of New Hampshire recommendations, a structure must be moved back as far as possible if it is within the waterfront setback.

Greg Sullivan, resident, stated with the way the current ordinance is written, they can tear down and rebuild with two stories but the new one says “only” two stories but no mention of a foundation. Chair Allard stated the ordinance will allow for a foundation and two stories of living space. Mr. Sullivan asked if there is a height limit, why is there a limit to the number of stories. Chair Allard replied that within the waterfront setback, the height restriction is measured from the lowest point and the intent is to balance the rights of property owners with abutters, to preserve the use and views.

John Sheckler, resident, stated he is concerned about the septic tank setback changing from 125 to 75 feet; he stated there is a lot of water recreation on Merrymeeting Lake and he wants to make sure the change won't affect the water quality and suggested changing the setback to 100 feet. Chair Allard state there are 100s of very small lots around the lake and variances are constantly needed; the ZBA is generally favorable to allowing the variance from 125 feet because many of the lots don't even have 125' in depth. He stated they are going to ask for more information and guidance from the New Hampshire Department of Environmental Services; he stated there is data with the State regarding setbacks and explained those are often based on soil types.

**MOTION: To restrict from consideration. Motion by Ms. Jarvis. Second by Mr. Craycraft. Motion passed with a majority of voter cards.**

**Article 4:** *Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by the vote of the first session, for the purposes set forth therein, totaling \$4,047,923. Should this article be defeated, the default budget shall be \$4,033,440, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold a special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.*

**Majority Vote Required**

*[Note: Operating Budget & Default Budget includes the Library Budget.*

*Estimated Tax Rate Impact – 2024 Proposed Budget: \$ 6.531 per \$1,000 assessed valuation.*

*Estimated Tax Rate Impact – 2024 Default Budget: \$ 6.507 per \$1,000 assessed valuation.*

**TOWN OF NEW DURHAM – DELIBERATIVE SESSION**

**February 6, 2024**

**New Durham School**

*The Board of Selectmen recommends this article by a 3 to 0 vote.*

*The Budget Committee recommends this article by a 6 to 1 vote.*

Yes \_\_\_\_\_ No \_\_\_\_\_

Moderator Callaway opened the meeting to discussion for Article 4.

Terry Jarvis, Chair of the Budget Committee, stated the budget review process started in August with a joint meeting of the Budget Committee and the Board of Selectmen to develop budget guidelines for all departments and committees. The proposed budget then goes to the Board of Selectmen for revisions and approvals; the proposed budget is then reviewed by the Budget Committee. Chair Jarvis stated department heads and committees present their requests and justification for their requests. She stated the public hearing was held on January 10, 2024 and that is the opportunity for members of the public to make comments and changes can be made at that time. Chair Jarvis stated there are increases across a multitude of lines including health insurances and benefits, wages and the mileage reimbursement rate.

David Swenson, Chair of the Board of Selectmen, gave an overview of the operating budget increases; he stated line items were modified within the accounts and some lines were reduced. He stated the line for mapping is up this year for a one-time activity; legal expenses are up as there have been a lot of land use issues; the Building Inspector was changed as well. Chair Swenson stated the last bond by the Town will be paid off in August of 2024; he also outlined the projected revenue which do not reflect any funds from the unassigned fund balance yet. Chair Swenson stated the FY 2023 Operational Budget was \$3,991,499 and the FY Operational Budget is proposed to be \$4,097,923 for a 1.4% increase.

David Bickford, resident, presented an amendment to add \$4,500 to the 2024 Operating Budget to provide a \$500 stipend to the regular members of the Planning and Zoning Boards for a new total operating budget in the amount of "\$4,052,423".

Terry Jarvis, resident, stated under the law, there are five regular members of the ZBA and Planning Board; by adding this amount, each member will receive \$450. She stated it will be up to the Board of Selectmen where these funds go.

Chair Swenson asked if any of the surrounding towns do this for the Planning and ZBA boards. Mr. Bickford stated he isn't sure if the surrounding towns do, but there are some in the state that do; he does not know the amounts.

Scott Drummey, resident, stated he has been on the Planning Board for over 20 years; he doesn't object to the stipend but doesn't expect to be paid for the position and suggested additional research be done to see how other towns handle it.

Jeff Kratovil, resident, stated significant changes are being proposed to the setbacks but no empirical evidence has been presented to justify the change; he stated Mr. Bickford suggested a stipend of \$500 but a laundry list of things to look at are being suggested.

**Moderator Callaway called for a vote on the amendment. Amendment passed with a majority of voter cards.**

Moderator Callaway read into the record the amended **Article 4**: *Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by the vote of the first session, for the purposes set forth therein, totaling \$4,052,423. Should this article be defeated, the default budget shall be \$4,033,440, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold a special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.*

**MOTION: To restrict from consideration. Motion by Mr. Drummey. Second by Ms. Ross-Raymond. Motion passed with a majority of voter cards.**

**Article 5**: *To see if the Town will vote to raise and appropriate the sum of \$400,000 for the purposes of a Road Program with said appropriation to be offset by an anticipated \$114,000 from the Highway Block Grant and the remainder to come from general taxation.*

**Majority Vote Required**

*Estimated 2024 Tax Rate Impact: \$ 0.461 per \$1,000 assessed valuation.*

*The Board of Selectmen recommends this article by a 3 to 0 vote.*

*The Budget Committee recommends this article by a 7 to 0 vote.*

Yes \_\_\_\_\_ No \_\_\_\_\_

Moderator Callaway opened the meeting to discussion for Article 5.

Marc DeCoff, Board of Selectmen, stated they realize many roads in Town need work but they are only recommending \$400,000 for this year with the hope that costs will come down in future years.

Greg Sullivan, resident, asked if residents have a say as to which roads the funds are used for. Chair Swenson stated the Board of Selectmen will always listen to taxpayers and residents as to what they feel are important along with the input from the Road Agent. He stated they will also rely on a variety of inputs and assessments to determine which roads need to be addressed.

Judy Purrington, Department of Public Works, stated there are water mitigation issues particularly on South Shore Road; she stated work needs to be done with culverts before other upgrades can be done to the roads and stormwater needs to be mitigated before moving forward.

**TOWN OF NEW DURHAM – DELIBERATIVE SESSION**

**February 6, 2024**

**New Durham School**

Mr. DeCoff stated South East Land Trust met with the Board of Selectmen and explained work was done prior to a drought in 2021; there were no issues until the storm events of this past year and due to clear cutting of about 80% of the trees on the SELT land, the water is coming down the hill and causing issues.

Cecile Chase, Interim Town Administrator, stated they are working with SELT and to get other experts to give advice for stormwater tactics for both the Town and homeowners.

Anne Ross-Raymond, resident, stated based on what she has heard, if culvert work is considered an emergency, the funds could be used for it. Chair Swenson clarified the funds are not constrained to emergency use only.

Jeff Kratovil, resident, stated under the old road service management plan, South Shore Road was on a reclaim schedule and suggested they check the schedule for maintenance.

Ms. Purrington explained it is going to take some time to get the process together to get the base of the road done; she stated they have the roads assessed by Strafford County Regional Planning and they are hoping with this program, the roads that need to be fixed, will get on the schedule.

Ken Ross-Raymond, resident, asked what the cost is to rebuild a mile of road. Ms. Purrington stated it varies but it would be roughly \$1,000,000 per mile. Chair Swenson stated in 2017/18, it was that rate and expects the costs have increased since then.

Kelly Bisson, resident, stated Copple Crown Village District looked at paving about 2-3 miles of road in the district and the low end of the estimates were \$3,000,000 to get the work, including culverts, done.

**MOTION: To restrict from consideration. Motion by Ms. Jarvis. Second by Mr. Fanjoy. Motion passed with a majority of voter cards.**

**Article 6:** *To see if the Town will vote to raise and appropriate the sum of \$305,000 to be placed in previously established Public Works related **Capital Reserve Funds** as follows with said funds to come from taxation:*

<b>Account</b>	<b>Created</b>	<b>2024</b>
Highway Trucks	March 4, 1988, Article #9	\$180,000

		\$5,000
		<b>Total \$305,000</b>

**Majority Vote Required**

*Estimated 2024 Tax Rate Impact: \$ 0.492 per \$1,000 assessed valuation.*

*The Board of Selectmen recommends this article by a 2 to 1 vote.*

*The Budget Committee recommends this article by a 5 to 2 vote.*

Yes \_\_\_\_\_ No \_\_\_\_\_

Moderator Callaway opened the meeting to discussion for Article 6.

Angela Pruitt, resident, asked who was against this article on the boards. Mr. DeCoff stated he voted against the article because the items were combined. Mr. Ross-Raymond stated he is not opposed the items within the article or the fact these are combined but he was informed at the public hearing that voters in 2019, voted to separate the articles and he is opposed to not listening to the voters.

Chair Swenson stated there was a petition article in 2019 that passed but it is not legally binding; in 2023 the Board of Selectmen made the decision to combine similar items and make the ballot less time consuming to the voters. Mr. Ross-Raymond stated he understands it being cumbersome but believes the citizens should have been informed how cumbersome the process would be.

David Bickford, resident, stated the article in 2019 specified that expendable trust funds and capital reserve funds be voted on individually on the town warrant. He stated the next year a lot of items lost funding; he stated he believes they should follow what the citizens want.

Ellen Phillips, resident, stated six or seven years ago there was a vote regarding the police department and Mr. Bickford stated that the vote was only advisory, with the Board of Selectmen having the final say. She stated people were upset last year about the number of warrant articles so the Board of Selectmen tried to group items together to reduce the amount of time in the voting booth.

Mr. Fanjoy stated he voted in favor of this article because it showed where the funds would be allocated and doesn't believe it violates anything.

Chair Swenson stated it doesn't make sense to waste voters time when they are going to vote in favor of something anyways.

**MOTION: To restrict from consideration. Motion by Ms. Orlowicz. Second by Mr. Fanjoy. Motion passed with a majority of voter cards.**

**Article 7:** *To see if the Town will vote to raise and appropriate the sum of \$120,000 to be placed in previously established Municipal Facility Land related **Capital Reserve Funds** as follows with said funds to come from taxation:*

Account	Created	2024
Municipal Facility Land Acquisition	March 13,2007, Article #8	\$120,000

Total	\$120,000
-------	-----------

**Majority Vote Required**

Estimated 2024 Tax Rate Impact: \$ 0.194 per \$1,000 assessed valuation.

The Board of Selectmen recommends this article by a **3 to 0** vote.

The Budget Committee recommends this article by a **7 to 0** vote.

Yes \_\_\_\_\_ No \_\_\_\_\_

Moderator Callaway opened the meeting to discussion for Article 7.

Mr. DeCoff stated last year the Board of Selectmen was considering the proposal for a public facility on the current location; he stated many residents didn't agree so a committee was developed to look at town land available as well as private property. The committee found a property that would work and this article would fund that purchase.

Mr. Bickford asked what the current balance of the capital reserve fund is. Chair Swenson stated the balance was around \$57,310.

Mr. Ahlin, resident, asked why land is being purchased before having the voters decide on the project. Mr. DeCoff stated the opportunity for the land is now and the price is reasonable. Chair Swenson stated Mr. Ahlin is correct that there is no engineering plan yet but the opportunity for the land is now and the land could be sold in the future.

Mr. Sullivan asked if there is any consideration for response time to different parts of town. Mr. DeCoff stated there has been consideration to that. Chair Swenson confirmed there is no purchase and sale agreement but the property will accommodate the public facility space needs.

**MOTION: To restrict from consideration. Motion by Ms. Orlowicz. Second by Mr. DeCoff. Motion passed with a majority of voter cards.**

Moderator Callaway called for a five minute recess.

The Deliberative Session reconvened at 9:05 PM.

**Article 8:** *To see if the Town will vote to raise and appropriate the sum of \$50,000 to be placed in previously established Public Safety related **Capital Reserve Funds** as follows with said funds to come from taxation:*

*The Board of Selectmen recommends this article by a 2 to 1 vote.*

*The Budget Committee recommends this article by a 6 to 1 vote.*

Yes \_\_\_\_\_ No \_\_\_\_\_

Moderator Callaway opened the meeting to discussion for Article 8.

Chair Swenson stated the contribution to Police Cruisers is lower than in 2023 as voters indicated support for revolving funds to be applied to the purchase of a vehicle and there will be incremental transitions to lower funding in future years.

There was no discussion on Article 8.

**MOTION: To restrict from consideration. Motion by Mr. Baker. Second by Mr. Meyer. Motion passed with a majority of voter cards.**

*Article 9: To see if the Town will vote to raise and appropriate the sum of \$15,000 to be placed in previously established New Durham Water Quality & Milfoil related Capital Reserve Funds as follows with said funds to come from taxation:*

**TOWN OF NEW DURHAM – DELIBERATIVE SESSION**

**February 6, 2024**

**New Durham School**

Moderator Callaway opened discussion for Article 9.

Mr. DeCoff stated this is to do milfoil treatments on the Town’s waterbodies; the fund is currently at \$38,000 but will need to be replenished.

Casey Buell, Chair of the New Durham Water Quality Committee, explained the work done by the committee and the importance of protecting the waters in Town. She stated the water is the main industry for businesses and residences. She also explained the dangers of milfoil and how easily it can be transported between waterbodies.

**MOTION: To restrict from consideration. Motion by Ms. Bisson. Second by Mr. Meyer. Motion passed with a majority of voter cards.**

**Article 10:** *To see if the Town will vote to raise and appropriate the sum of \$44,000 to be placed in previously established Facilities related **Capital Reserve Funds** as follows with said funds to come from taxation:*

Moderator Callaway opened the meeting to discussion for Article 12.

**TOWN OF NEW DURHAM – DELIBERATIVE SESSION**

**February 6, 2024**

**New Durham School**

Chair Swenson stated software upgrades are continuing at Town Hall; the records management project is being looked at for 2024; he stated there are areas of Town Hall that need work and structural improvements. These funds will be used to address those issues.

Interim Town Administrator Chase stated the Town Hall is about 115 years old and there is a lot that needs to be done; she stated the community will also need to decide if this building will continue to work as an office building.

Pat Grant, resident, thanked everyone for their continued work to preserve the Town Hall.

Mr. Allard asked if the computer systems and records management include implementing the Avitar software for the land use boards. He stated there are severe problems with record keeping in the land use departments which result in lack of inspections and follow-ups. Chair Swenson confirmed the land use departments will be looked at closely. Interim Town Administrator Chase stated the contract assessor is currently working to transfer all the tax cards to Avitar and the transition is being worked on.

**MOTION: To restrict from consideration. Motion by Ms. Orlowicz. Second by Mr. Drummey. Motion passed with a majority of voter cards.**

**Article 13:** *To see if the Town will vote to raise and appropriate the sum of \$20,000 to be placed in previously established Expendable Trust Funds as follows with said funds to come from taxation:*

**New Durham School**

**MOTION: To restrict from consideration. Motion by Mr. Evans. Second by Mr. Allard.  
Motion passed with a majority of voter cards.**

**Article 14:** *To see if the Town will vote to appropriate the sum of \$7,000 for the purposes of funding contributions to Health & Other Agencies i.e. Cornerstone VNA, CAP of Strafford County, Kingswood Youth Center, and Strafford Nutrition – Meals on Wheels with this sum to come from authorizing the withdrawal of \$7,000 from the JC Shirley Timber Trust (Trust Fund #28). Said trust established for the purpose to “benefit of the Town of New Durham for such lawful purposes as the Town may direct at its annual meeting.”*

**Majority Vote Required**

*Estimated 2024 Tax Rate Impact: \$ 0.00 per \$1,000 assessed valuation.*

*The Board of Selectmen recommends this article by a 3 to 0 vote.*

*The Budget Committee recommends this article by a 7 to 0 vote.*

Yes \_\_\_\_\_ No \_\_\_\_\_

Moderator Callaway opened discussion for Article 14.

Allison Butafuoco, resident, asked if the Kingswood Youth Center is part of the school. It was confirmed that is a separate program. Interim Town Administrator Chase stated it is a non-profit organization started by the Wolfeboro Rotary; it provides a safety net for many disadvantaged children throughout the district. She stated great programs are offered throughout the year and help prepare students for life.

Anne Ross-Raymond, resident, asked for clarification on the zero tax rate impact. Chair Swenson stated a trust was set up many years ago with strong constraints that required this process be followed for funding; he confirmed tax payers do not fund the charitable organizations but in the future further consideration will be needed when the trust fund is gone.

**MOTION: To restrict from consideration. Motion by Ms. Cullimore. Second by Ms. Jarvis.  
Motion passed with a majority of voter cards.**

**Article 15:** *To see if the Town will vote to align the Municipal Facility Land Acquisition CRF established in March 13, 2007, Article #8 with other CRF's in the Town and to change the current default agents to expend being the Trustees of the Trust Fund to identify the agents to expend the Municipal Facility Land Acquisition as the Board of Selectmen.*

**Majority Vote Required**

*Estimated 2024 Tax Rate Impact: \$ 0.00 per \$1,000 assessed valuation.*

*The Board of Selectmen recommends this article by a 3 to 0 vote.*

*The Budget Committee recommends this article by a 6 to 1 vote.*

Yes \_\_\_\_\_ No \_\_\_\_\_

Moderator Callaway opened the meeting to discussion for Article 15.

Chair Swenson explained the Trustee of the Trust Fund found that a designated agent to expend was not identified for this article, which is required by State law. The Board of Selectmen and Trustees of the Trust Funds agreed designated the Board of Selectmen as such.

**MOTION: To restrict from consideration. Motion by Ms. Bisson. Second by Mr. Drummey. Motion passed with a majority of voter cards.**

**Article 16:** *To conduct any other business which may legally come before the Town.*

Mr. Bickford stated at the last Planning Board meeting there was discussion about establishing an official capital improvement program on the warrant and asked what came of it. Chair Swenson and Mr. DeCoff stated nothing came before the Board of Selectmen to be placed on the warrant. Ms. Ross-Raymond stated there was a specific recommendation by the Planning Board to the Board of Selectmen to put it on the warrant to have it align more consistently with the State statute, which would allow the committee to report to the Board of Selectmen instead of being handled by the Planning Board. Chair Swenson stated he would be receptive to that but hasn't been informed about it.

Moderator Callaway: The Town would love to have additional volunteers to work as ballot clerks or greeters at our many elections this year. We are hoping that everyone was amazed and pleased with the streamlined electronic check-in process, but if we could get more workers, we could have shorter shifts so as not to overtax our volunteers. Please contact the Town Clerk or myself, if you are interested.

The upcoming Candidates' Night to meet many of the names listed in Article #1 is scheduled for Wednesday evening, February 21, 2024 at 6:30 PM at the New Durham Community Room and is on the town website's calendar. Please take this opportunity to meet the candidates and ask questions.

Also please take a look at open positions on the ballot. Many of our committees and boards are looking for "a few good people", and write-ins are encouraged on Election Day. We'd love to see some fresh faces supporting the town. I would encourage anyone to attend one of the meetings or watch the live streams to see if there is some town committee you would be interested in and contribute your unique knowledge and perspective.

In preparation for the upcoming Town Election on March 12, 2024, get a copy of the Sample Ballot or review the video of tonight's meeting to help you make an informed vote on Election Day.

The Deliberative Session was adjourned at 9:54 PM.

## INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen  
Town of New Durham  
New Durham, New Hampshire

### **Adverse and Unmodified Opinions**

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of New Durham, as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

#### *Adverse Opinion on Governmental Activities*

In our opinion, because of the effects of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the financial statements referred to above do not present fairly the financial position of the governmental activities of the Town of New Durham, as of December 31, 2022, or the changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Unmodified Opinion on Each Major Fund and Aggregate Remaining Fund Information*

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Town of New Durham as of December 31, 2022, and the respective changes in financial position thereof and the budget to actual comparison for the General Fund, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Adverse and Unmodified Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town, and to meet other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

#### *Matters Giving Rise to Adverse Opinion on Governmental Activities*

As discussed in Note 1.B.3. to the financial statements, management has not determined its liability or annual cost for postemployment benefits other than pensions (OPEB) in governmental activities. Accounting principles generally accepted in the United States of America require that management recognize OPEB expense for the required contributions and a liability for unpaid required contributions, which would increase the liabilities, decrease net position, and increase expenses of the governmental activities. The amount by which this departure would affect the liabilities, net position, and expenses of the governmental activities is not reasonably determinable.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, any significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the pension related information on pages 30-31 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and

comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The Town of New Durham has not presented a management's discussion and analysis. Accounting principles generally accepted in the United States of America have determined that the management's discussion and analysis is necessary to supplement, but is not required to be part of, the basic financial statements.

**Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of New Durham's basic financial statements. The combining nonmajor and individual general fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor and individual general fund schedules are fairly stated in all material respects, in relation to the basic financial statements as a whole.

December 28, 2023

*Roberts & Greene, PLLC*

**EXHIBIT 4**  
**TOWN OF NEW DURHAM, NEW HAMPSHIRE**  
*Reconciliation of Total Fund Balances of Governmental Funds to the Statement of Net Position*  
**December 31, 2022**

Total fund balances of governmental funds (Exhibit 3)		\$ 4,201,891
Amounts reported for governmental activities in the statement of net position are different because:		
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds.		
Cost	\$ 9,920,893	
Less accumulated depreciation	<u>(4,391,713)</u>	5,529,180
Interfund receivables and payables between governmental funds are eliminated on the statement of net position.		
Receivables	\$ (285,026)	
Payables	<u>285,026</u>	
Revenues that are not available to pay for current period expenditures are deferred in the funds.		
Unavailable tax revenue	\$ 445,110	
Unavailable ambulance revenue	<u>15,598</u>	460,708
Interest on long-term debt is not accrued in governmental funds.		
Accrued interest payable		(1,252)
Long-term liabilities are not due and payable in the current period and, therefore, are not reported in the funds.		
Bonds outstanding	\$ 75,000	
Unamortized bond premium	1,669	
Compensated absences payable	46,992	
Accrued landfill postclosure care costs	142,692	
Net pension liability	<u>1,923,823</u>	(2,190,176)
Deferred outflows and inflows of resources are applicable to future periods and, therefore, are not reported in the funds.		
Deferred outflows of resources related to pensions	\$ 567,656	
Deferred inflows of resources related to pensions	<u>(7,385)</u>	
Total net position of governmental activities (Exhibit 1)		<u>560,271</u> <u>\$ 8,560,622</u>

The notes to the financial statements are an integral part of this statement.

Fund balances, ending	<u>\$ 2,079,892</u>	<u>\$ 1,725,416</u>	<u>\$ 396,583</u>	<u>\$ 4,201,891</u>

The notes to the financial statements are an integral part of this statement.

EXHIBIT 6  
TOWN OF NEW DURHAM, NEW HAMPSHIRE  
Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund  
Balances of Governmental Funds to the Statement of Activities  
For the Year Ended December 31, 2022

Net change in fund balances of governmental funds (Exhibit 5)		\$ 627,920
Amounts reported for governmental activities in the statement of activities are different because:		
Governmental funds report capital outlays as expenditures. In the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which depreciation expense exceeded capitalized capital outlay in the current period.		
Capitalized capital outlay	\$ 293,492	
Depreciation expense	<u>(463,632)</u>	(170,140)
Transfers in and out between governmental funds are eliminated on the operating statement.		
Transfers in	\$ (470,496)	
Transfers out	<u>470,496</u>	
Revenue in the statement of activities that does not provide current financial resources is not reported as revenue in governmental funds.		
Change in unavailable tax revenue	\$ 13,864	
Change in unavailable ambulance revenue	<u>9,215</u>	23,079
The repayment of the principal of long-term debt consumes the current financial resources of governmental funds, but has no effect on net position.		
Repayment of bond principal	\$ 60,000	
Amortization of bond premium	<u>1,674</u>	61,674
Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.		
Decrease in accrued interest expense	\$ 984	
Increase in compensated absences payable	<u>(3,415)</u>	(2,431)
Governmental funds report pension contributions as expenditures. However, in the statement of activities, the cost of pension benefits earned, net of employee contributions, is reported as pension expense.		
Town pension contributions	\$ 204,928	
Cost of benefits earned, net of employee contributions	<u>(292,905)</u>	(87,977)
Change in net position of governmental activities (Exhibit 2)		<u>\$ 452,125</u>

The notes to the financial statements are an integral part of this statement.

DRA Revised/Reviewed Appropriations

### Village (MS-1V)

Description	Current Year
Copple Crown Village	\$22,205,350

## New Durham

### Tax Commitment Verification

#### 2023 Tax Commitment Verification - RSA 76:10 II

Description	Amount
Total Property Tax Commitment	\$12,310,769
1/2% Amount	\$61,554
Acceptable High	\$12,372,323
Acceptable Low	\$12,249,215

If the amount of your total warrant varies by more than 1/2%, the MS-1 form used to calculate the tax rate might not be correct. The tax rate will need to be recalculated. Contact your assessors immediately and call us at 603.230.5090 before you issue the bills. See RSA 76:10, II

<b>Commitment Amount</b>	
Less amount for any applicable Tax Increment Financing Districts (TIF)	
<b>Net amount after TIF adjustment</b>	

**Under penalties of perjury, I verify the amount above was the 2023 commitment amount on the property tax warrant.**

**Tax Collector/Deputy Signature:**

**Date:**

### Requirements for Semi-Annual Billing

#### Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

New Durham	Total Tax Rate	Semi-Annual Tax Rate
Total 2023 Tax Rate	\$20.00	\$10.00
Associated Villages		
Copple Crown Village	\$4.04	\$2.02

## Fund Balance Retention

<b>Enterprise Funds and Current Year Bonds</b>	<b>\$0</b>
<b>General Fund Operating Expenses</b>	<b>\$14,191,930</b>
<b>Final Overlay</b>	<b>\$31,662</b>

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

# Town of New Durham, New Hampshire

General Administration

# Restoration of Involuntarily Merged Lots

## HB-316 Notice

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restore to their pre-merger status.

Your property may qualify if two or more contiguous lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body

Once restored:

- Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

*Read the full statute at RSA 674-39-aa Restoration of Involuntarily Merged Lots.*

## Property Tax Relief Programs

**Abatements:** Per RSA 76:16 property owners who believe that their property is assessed incorrectly or that the assessment is disproportional to other similar properties may apply to the Board of Selectmen for an abatement. Forms are available at the assessing office or [www.nh.gov/btla/forms](http://www.nh.gov/btla/forms). Deadline for filing March 1<sup>st</sup>.

Tax Exemption and Tax Credit applications must be filed with the assessing office for the tax year. The amount of a tax credit is subtracted from the property tax bill. An exemption is an amount deducted from the assessed value of the property. Forms are available at the assessing office or [www.nh.gov/revenue/forms](http://www.nh.gov/revenue/forms). Deadline April 15<sup>th</sup> for current tax year.

**Veterans Tax Credit: \$750**

RSA 72:28

For those who served at least 90 days in a qualifying war or armed conflict; or earned an armed forces expeditionary medal or theater of operations medal, ribbon, or badge, or for those who was terminated from armed forces because of a service-connected disability; or the spouse of such resident and there are other eligibility requirements. Need a copy of DD214. Resident of NH for at least one-year preceding April 1.

**Veteran's Service-Connected Total Disability Credit: \$4,000**

RSA 72:35

Total and permanent disability that is connected to his or her service in the military, Veteran must furnish the selectman with certification of total and permanent disability from the U.S Department of Veterans' Affairs or the spouse of such resident and there are other eligibility requirements. Resident in the state for at least on year preceding April 1.

**Exemption for the Blind: \$1,500**

RSA 72:37

Person who is legally blind as determined by the Blind Services Program, Bureau of Vocational Rehabilitation of the Department of Education and there are other eligibility requirements.

**Exemption for the Disabled: \$13,400**

RSA 72:37 B

Eligible under Title 11 or Title XVI of the Federal Social Security Act. Principal home, own or occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least five consecutive years. Resident in the state for at least five years, net income of not more than \$26,000 if single. Net income of not more than \$35,000 if married and there are other eligibility requirements.

**Exemption of the Elderly:**

RSA 72:43-f

65 years of age to 74 years-----\$45,000

75 years of age to 79 years-----\$65,000

80 years of age or older-----\$90,000

Principal home, own or occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least five consecutive years. Own net assets not in excess of \$60,000, excluding the value of the person's residence. Resident in the state for at least three years. Net Income of not more than \$26,000 of single. Net income of not more the \$35,000 if married and there are other eligibility requirements.

**Exemption for Solar Energy:**

RSA 72:63

Exempt from the assessed value solar energy system as define in RSA 72:61 and there are other eligibility requirements.

**Low and Moderate Income Homeowner's Property Tax Relief:** The state of New Hampshire's Low and Moderate Property Tax Relief Program runs annually from May 1- June 30. Taxpayers can receive relief of a portion of the State Education Property Tax. You may be eligible for this program if you are single with an adjusted gross income equal to or less than \$20,000, married or filing head of household with a adjusted gross income equal to or less than \$40,000. Own a home subject to the State Education Property Tax and reside in the home on April 1<sup>st</sup> of the tax year. Forms are available at the assessing office or [www.nh.gov/revenue/forms/low-mod-program](http://www.nh.gov/revenue/forms/low-mod-program). Forms are required to be filed directly with the state.

# New Hampshire's Right to Know Law

*"Openness in the conduct of public business is essential to a democratic society. The purpose of [RSA 91-A- the Right to Know Law] is to ensure both the greatest possible public access to the actions, discussions and records of all public bodies, and their accountability to the people." RSA 91-A:1*

**Meeting Notices:** Notice of a Public Meeting shall be posted with time and place at least 24 hours in advance of the meeting, in two (2) legal places- one of which can be the Town's website. **RSA 91-A:2 II**

**Posting Minutes:** Minutes should be available for public inspection no later than 5 business days after a public meeting. **RSA 91-A:4 IV** Non Public minutes must also be kept, unless the Board votes to seal them; they must be made available within 72 hours after the meeting. **RSA 91-A:3III**

**A meeting** is a quorum or a majority of the membership of a public body (Board, Commission, Committee) gathering in one place. Sometimes this happens by chance and that is all right as long as it was not convened for the purpose of discussing or acting upon matters of that public body. **RSA 91-A:2**

**Electronic Participation:** "A public body may, but is not required to, allow one or more members of the body to participate in a meeting by electronic or other means of communication for the benefit of the public and the governing body." Example: by telephone or internet video. **RSA 91-A:2 III**

**Availability:** Every citizen during the regular or business hours of all public bodies or agencies, and on the regular business premises of such public bodies or agencies, has the right to inspect governmental records in the possession, custody, or control of such public bodies or agencies. There are exceptions to this law, and there is a fee associated with making copies. **RSA 91-A:4**

## **Statutory Reasons for going into Non Public Session:**

**RSA 91-A:3, II(a)** The dismissal, promotion, or compensation of any public employee or the disciplining, or investigation of any charges against him or her, unless the employee affected (1) has a right to a public meeting, and (2) requests that the meeting be open, in which case the request shall be granted.

**RSA 91-A:3, II(b)** The hiring of any person as a public employee.

**RSA 91-A:3, II(c)** Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the board, unless such person requests an open meeting. This exemption shall extend to include any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant.

**RSA 91-A:3, II(d)** Consideration of the acquisition, sale or lease of real or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community.

**RSA 91-A:3, II(e)** Consideration or negotiation of pending claims or litigation which has been threatened in writing or filed against this board or any subdivision thereof, or against any member thereof because of his or her membership therein, until the claim or litigation has been fully adjudicated or otherwise settled

**RSA 91-A:3, II(i)** Consideration of matters relating to the preparation for and the carrying out of emergency functions

1 Trustee of the Trust Funds 3 Years	Angela Pruitt-197
2 Zoning Board of Adjustment 3 Years	Bill Meyer-187 Theresa Jarvis-173
1 Supervisor of the Checklist 2 Years	Christopher Baca-209
1 Supervisor of the Checklist 1 Year	Angela Pruitt-123 Maureen Knepp-103

**Article 02 Zoning Amendment**

Are you in favor of Amendment #1 as proposed by the New Durham Planning Board for the New Durham Zoning Ordinance as follows: Amend Article VI.L., Accessory Dwelling Units (ADUs) to allow ADUs by right in all districts except the Shoreland Conservation District, where attached ADUs with at least one off street parking space per ADU bedroom and a limit of four total bedrooms for nonconforming lots are permitted by conditional use permit; to limit ADUs to one per lot; to limit the gross living area of all ADUs to 1,000 square feet, unless the primary dwelling is less than 1,000 square feet, in which case the ADU may have no more than 750 square feet; to require attached ADUs to have an interior door and common wall between the primary dwelling unit and the ADU; to require one driveway for both the primary dwelling unit and the ADU; and to allow detached ADUs only on lots with at least 150% of the required lot area.

Majority Vote Required

The Planning Board recommends this article by a 4 to 0 vote.

Yes 159 No 88

**Article 03 Zoning amendment**

Are you in favor of Amendment #2 as proposed by the New Durham Planning Board for the New Durham Zoning Ordinance as follows: Delete Article XIII, Wetland Conservation Overlay District and Article XV, Water Quality Protection Overlay District and adopt instead a new Article XIII entitled Water Quality Protection Overlay District, to streamline and clarify various requirements? The boundaries of the WCOD are defined as the upland area within the buffers and setbacks of various types of water bodies and wetlands and are shown on the New Durham Soils Map 2022 on file in the Land Use Office. Permitted uses within the WCOD include, but are not limited to, various recreation trails and paths, accessory structures of less than 150 square feet, installation of utilities, forestry management, and agriculture. Uses permitted by conditional use permit include access roads and driveways, accessory structures, and outdoor recreational facilities that do not require structures. All other uses are prohibited.

Majority Vote Required

The Planning Board recommends this article by a 4 to 0 vote.

Yes 186 No 91

---

**Article 04 Zoning Amendment**

Are you in favor of adoption of Amendment #3 as proposed by the New Durham Planning Board for the New Durham Zoning Ordinance as follows: Amend the New Durham Zoning Ordinance to update soil types? The Soil type table in the current Zoning Ordinance describes several soil types that have become obsolete. The soil tables in Appendix A will be updated, and several changes in verbiage throughout the ordinance are made necessary by the recommended changes to soil types. These changes will not alter ordinance regulations or change lot size requirements for the creation of new lots or subdivisions.

Majority Vote Required

The Planning Board recommends this article by a 5 to 0 vote.

Yes 208 No 71

---

**Article 05 Petitioned Zoning Amendment**

Are you in favor of repealing Article XIV Section G SPECIAL EXCEPTIONS of the New Durham Zoning Ordinances? G. SPECIAL EXCEPTIONS Deviations from the requirements of this Article may be permitted by Special Exception. Such a Special Exception is required in addition to any other relief which may be required herein, such as a Conditional Use Permit. Special Exceptions granted under this Article for one or two family homes shall be exempt from the requirements of Article VII. Other uses listed in Table 4. In Article VII must comply with the requirements of Article VII. The Zoning Board of Adjustment shall grant a Special Exception if all of the following requirements are met: 1. The proposed use must otherwise be allowed in this Shorefront Conservation Overlay District. 2. The proposed use will not reduce water quality in the adjacent water body measured by methods such as increased storm water run off and increased phosphorus and nitrogen runoff. 3 The structure is proposed to be moved as far back from the reference line as possible. 4. Property values in the district will not be reduced. 5. The use will not place excessive or undue burden on Town services and facilities. 6. The proposed use or structure is consistent with the spirit of this Article as described in paragraph XIV.A. 1 above.

The Planning Board recommends this article by a 4 to 0 vote.

Yes 184 No 89

# Town of New Durham, New Hampshire

Town Department Reports

# 1772 Meetinghouse Restoration Committee

What an amazingly progressive year this has been for our committee. We have taken leaps and bounds regarding the total restoration project and have opened up new avenues of funding.

The town is so fortunate to have a symbol of the grit and determination of the founding community still here after more than 250 years. On an episode of NH Chronicle at our Meetinghouse, Fritz Wetherbee said, "This is one of the best places to experience history I know of."

Of course we agree, as seen by all of the living history events we've held onsite through the years, but it's the future we have our eyes on. The Committee's charge is to help the Board of Selectmen with the physical and cultural restoration of the building. We're not alone - everyone in town has the opportunity to provide for the 21<sup>st</sup> century use of an 18<sup>th</sup> century building.

Our first event was the Spring Fling, sponsored by ArcMarc Enterprise, LLC and Meredith Village Savings Bank, with a musician, root beer donated by the Muddy Road Brewery, and a smoothie truck. Demonstrations of sheep herding by Heart Stone Farm, a Devon oxen team, and spinning wool by costumed characters were big hits. Displays of yokes, Native American artifacts, and gardening items from the 1800s were on view. For extra fun, colonial costumes were provided for photo opps and a series of Olde Tyme games entertained all ages. The Cowasuck Band of the Penacook-Abenaki People provided materials to plant a traditional Abenaki skunk bean and make a corn kernel necklace.

We also announced at that time that the Meetinghouse is featured on Clio, an educational website and free mobile app that serves as a guide to history and culture across the country.

In collaboration with the New Durham Public Library, we hosted a summer Storytime featuring stories and songs with Miss Cathy and Native American musical instruments and a craft provided by the Cowasuck Band.

Our Neighborhood Picnic offered a chance for residents to gather at the Town's original gathering place. Photographer John Gisis, Muddy Road Brewery's root beer, and Big Belly's BBQ helped make the day complete.

Citizens attended our Info/Input Session to discuss the restoration project and potential uses of the community center once the building is completed. We shared the news of a Community Development Finance Authority grant application we submitted that could complete the entire project in two years. The outpouring of support from local vendors who assisted us with designs, estimates, and expertise was overwhelming. From that application, we now have a clearly defined path to complete all phases of the project.

Ongoing fundraisers include granite commemorative stones to be laid in an area of self reflection and the opportunity to Buy a Shingle.

The used clothing shed located outside of the Transfer Station continues to be an excellent source of income for us. Manning it takes a hefty amount of volunteer hours, so we ask that you leave only permitted items.

Happily, we opened the Meetinghouse doors on a regular basis for our Gift Shop. This year it was also good to see so many of our supportive friends at the Rotary's Home and Garden Show in Alton and the New Durham Recreation Department's Holiday Craft Fair.

We love seeing that the Rec Dept. used the grounds once again for an Easter Egg Hunt- and this year an Easter Breakfast inside the building was added. The Halloween Haunted Trails are now so successful, the event will expand next year to three evenings. As always, the Friends of the Library's Story Trail offers an opportunity to walk and read along the nature trail behind the building.

Keep an eye out for the Quill and Pen, our newsletter mailed out to residents that brings you up to date on our activities. Community events at this site give us the chance to touch the past and celebrate our roots. Bringing the Meetinghouse back to life would add an extra level of service to residents; we'd save a big chunk of our history and provide a much-needed gathering place open to all at all times.

We'd welcome more people on the Committee as we charge forward toward our goal of turning the Meetinghouse into a community center. Please consider joining us!

Honor the Past and Build the Future

The 1772 Meetinghouse Restoration Committee  
Ellen Phillips, Cathy Allyn, Robert Bickford, Robin  
Bickford, Clayton Randall, Susan Randall

## Budget Committee

I am pleased to present my fifth Town Report as Chair of the New Durham Budget Committee.

In March the Legislative Body elected Susan DeRoy for a three-year turn. At the same time Ken Ross-Raymond was elected for a one-year term. Ken will serve until the March 2024 Town Elections.

**RSA 32:16 Duties and Authority of the Budget Committee** states that "In any town which has adopted the provisions of the subdivision, the budget committee shall have the following duties and responsibilities:

- I. To prepare the budget as provided in RSA 32:5, and if authorized under RSA 40:14-b, a default budget under RSA 40:13, IX(b) for submission to each annual or special meeting of the voters of the municipality, and, if the municipality is a town, the budgets of any school district or village district wholly within the town, unless the warrant for such meeting does not propose any appropriation.
- II. To confer with the governing body or bodies and with other officers, department heads and other officials, relative to estimated costs, revenues anticipated, and services performed to the extent deemed necessary by the budget committee. It shall be the duty of all such officers and other persons to furnish such pertinent information to the budget committee.
- III. To conduct the public hearings required under RSA 32:5, I.
- IV. To forward final copies of the final budgets to the clerk or clerks, as required by RSA 32:5, VI, and, in addition, to deliver 2 copies of such budgets and recommendations upon special warrant articles to the respective governing body or bodies at least 20 days before the date set for the annual or special meeting, to be posted with the warrant."

In January the Budget Committee holds a Public Hearing. This is the last opportunity for anyone to request changes to the budget before the Budget Committee votes to approve the proposed Operational Budget. During the annual Public Hearing for the proposed budget the Budget Committee reviews all warrant articles that have a fiscal impact and either "Recommend" or "Not Recommend" their passage by the Legislative Body. Our goal is to recommend a budget to the voters which will provide the services New Durham requires – and voters want – and to adequately fund existing Capital Reserve Funds' (CRFs) and Expendable Trust Funds (ETFs) to pay for future purchases and to make required payments on loans and leases.

On a quarterly basis the Budget Committee reviews ongoing expenditures for all accounts and the status of town revenues in order to monitor operational income and expenses and expenditures for various CRFs and ETFs. We receive updates from Department Heads and the Town Administrator on the status of their budgets, identifying unanticipated expenses. The Department Head or Town Administrator must indicate how they plan to cover the unanticipated expenses.

Each year starting in late fall the Budget Committee holds weekly meetings to develop the following year's Operational Budget as required by RSA 32:16. These meetings are open to the public and people can participate in person or via ZOOM. The Budget Committee also reviews the funding levels set by the Board of Selectmen for existing Capital Reserve Funds' (CRF) and Expendable Trust Funds (ETF).

During 2023 the Budget Committee met as follows:

- One meeting in January to complete work on the proposed FY 23 budget.
- A Public Hearing on the proposed 2023 town budget in January.
- One meeting after the Deliberative Session to review and vote on changes made to the Operational Budget and the Town Warrant by the Legislative Body.
- One meeting to review and approve the proposed 2024 Copple Crown Village budget which was held in conjunction with a budget quarterly review meeting.
- Four quarterly budget review meetings. After receiving updates from Department Heads, the Budget Committee review the status of all budgets, identifying unanticipated expenses and how the Department Head planned to pay for them. This information allows the Budget Committee to monitor operational income and expenses and expenditures for various CRFs and ETFs.
- One joint meeting of the Budget Committee and Board of Selectmen (BOS) to develop budget guidelines for all Departments and Committees.
- Five meetings to develop the proposed Fiscal Year 2022 town budget.

The NH Department of Revenue Administration (DRA) cannot set New Durham's tax rate until all required information from both the Town and Copple Crown Village District is received and approved. Due to a delay in Copple Cown submitting the required information the BOS had to borrow money to meet the December bills for the School District and County. The amount of interest New Durham will have to pay in FY 24 for the borrowed money has not been finalized.

The proposed FY 24 Operational Budget is \$4,047,923 or \$56,424 higher than the FY 23 budget. Changes may be made during the Public Hearing on January 10, 2024. The Operational Budget does not include requests for capital projects or funding of the Town's CRFs and ETFs. These appear as warrant articles which will be discussed at the February Deliberative Session and voted on in March.

The Advisory Capital Improvement Committee (ACIPC) recognized the need for a significant increase in funding for many of New Durhams' CRFs and ETFs. They recommended adding \$2,696,400 to current CRFs and ETFs and establishing three new CRFs. The Budget Committee does not disagree with the need to increase funding for these funds. However, the Budget Committee is concerned about the overall increase in the Town's tax rate if the full ACIPC amount of funding was recommended. The Budget Committee concurred with the Board of Selectmen's decision to add \$ 714,000 to existing CRFs and ETFs. We did not recommend establishing any new CRFs' or ETFs'

I would like to thank Interim Town Administrator Cecile Chase, the Department Heads, Chairs of Committee and Boards and the Budget Committee member (Vice Chair Ken Fanjoy members Ellen Phillips, David Bickford, Sussan Deroy, Ken Ross Raymond, BOS representative David Swenson and Copple Crown Village District representative Kellie Bisson) for their time and efforts in the development of the 2024 New Durham budget.

Theresa Jarvis, Chair  
New Durham Budget Committee

# **Building Inspector/ Code Enforcement Officer/ Health Officer**

2023 was a very busy for the Building Department of New Durham, there was a total of 411 permits totaling \$55,916.51 of which: 104 Building (this includes solar projects), 43 Minor Building, 118 Mechanical, Gas, 104 Electrical, 42 Plumbing, 13 Certificate of occupancy and a camper.

We try to make it easier and faster for you to receive your permits but It is very important that ALL the information is provided to us to ensure the process of your permit. Please remember it takes 3-5 days to review applications and plans and to issue permits. You should never start a job without your permit in hand. If you have questions if a permit is needed, please call, or email the Office.

The Goal of this department is to make applying for permits as easy as possible. If there is anything you need help with on the application don't hesitate to call.

All information, applications and fees schedules are online on the New Durham town website under the Building Department to make this process easier for all applicants. Applications may be downloaded from Town website filled out and emailed to: [buildinginspector@newdurhamnh.us](mailto:buildinginspector@newdurhamnh.us) If it is a fixed fee permit, you may mail or drop off payments. Permits are issued and inspections are done Monday-Thursday 7AM-2PM and Fridays are by appointment only. Permit applications can be dropped off anytime the Town Clerks office is open.

Permits are required for any alteration, addition, new building, repair, replacement and foundation. Permits are also required for plumbing, electrical work and (gas) mechanical work please make certain that a copy of the license is included. Estimated value included material and labor, contracted, or done by the Homeowner. A permit is needed for building demolition or any part there of as per guidelines set forth by NHDES.

## **Minimum State of New Hampshire Building Codes Building Specification Codes**

International Building Code 2018  
International Residential Code 2018  
International Energy Code 2018  
International Mechanical Code 2018  
International Plumbing Code 2018  
The National Electrical Code 2020

We look forward to 2024!

## CONSERVATION COMMISSION

We are pleased to present the 2023 report of the New Durham Conservation Commission. The Conservation Commission was established by Town vote in 1969 to study and protect natural resources within our borders, and is committed to broadening public awareness of the natural resources of New Durham in the belief that this will inevitably lead to a greater commitment to their careful stewardship.

Under state statute, the Conservation Commission is charged with “the proper utilization and protection of the natural resources and for the protection of watershed resources of said city or town.” In this capacity, we serve to advise other town/regional boards and committees on natural resources, wetlands, water quality and related issues. In 2023, members were involved in management of the Birch Ridge Community Forest (BRCF) Project, with Victor Piekarski serving on the project’s Management Committee, chaired by New Durham resident Charlie Bridges. BRCF, which preserves over 2,600 acres of land overlooking Merrymeeting Lake, March’s Pond, Chalk Pond, Coldrain Pond and surrounding areas, is developing into a regional gem that is attracting visits by numerous lovers of the outdoors. The Southeast Land Trust (SELT) owns the properties, with Moose Mountains Regional Greenways (MMRG) and the Conservation Commission monitoring the conservation easement. Volunteers from the town and elsewhere continue to put in countless hours improving trails, building parking areas and being good stewards of this fabulous resource. SELT has continued its efforts in the past couple years, preserving significant acreage surrounding Mt. Molly and Mt. Bet north of Merrymeeting Lake, and continuing work to conserve lands to the east of the lake, with the support of the Merrymeeting Lake Association and many others. All of these lands will be preserved for public recreation and enjoyment forever.

The Commission is always interested in supporting conservation projects that align with the priorities of our Natural Resources Inventory, MMRG’s Conservation Action Plan and the Town’s Master Plan. 2023 saw an increase in applications for wetland and shoreland impact permit applications. Our continued monitoring of local development projects has resulted in enforcement referrals to the New Hampshire Department of Environmental Services in order to better protect the town’s incredible water resources. We serve as a resource to landowners who are considering work that impacts shorefront or wetlands – please contact us or come to one of our meetings to learn more. The Conservation Commission also continues to provide ongoing stewardship of protected properties throughout town. Maintaining land in an undeveloped state provides opportunities for outdoor recreation, improves property values and helps stabilize tax rates – please contact us if you are interested in ensuring a legacy of open space protection for your property.

We always look forward to welcoming new members to the Commission; our meetings are on the last Tuesday of each month if you are interested in participating.

Respectfully submitted,

Ron Gehl, Chair

# Cemetery Trustees

The three John C Shirley Cemetery Trustee's for 2023 were Doug Gilman, Kelli Kostic and Stephanie McKenzie. We would like to welcome Stephanie to the team as she will be an asset to the team with her knowledge and background as the town clerk for years.

The Trustee's would like to thank the following people for their hard work in keeping the cemetery looking beautiful. Many people have commented on how tranquil and peaceful the area feels. Will Cardinal, the cemetery Sexton, and his dedicated crew for mowing, trimming, cutting trees and branches down that might be harmful to the cemetery. A special thanks to Judy Purington Highway Department Administrative Assistant for her knowledge and compassion working with the funeral directors and people needing guidance with the burial process.

Losing a loved one is never easy. There are steps that can be taken to make the journey easier during your time of need.

Respectfully submitted,  
Doug Gilman, Chairman, Cemetery Trustee  
Kelli Kostic, Cemetery Trustee  
Stephanie McKenzie, Cemetery Trustee

## Department of Public Works

### Highway

2023 was a very busy year for the Highway Department and the projects we planned to do were completed with little disruption to our residents. Water mitigation was at the forefront of our minds this year, as we are experiencing a trend of unprecedented amounts of rain. In the last year, New Durham has received 48 inches of rain, with most storms dumping 3.5 to 5.5 inches of rain per event. This caused multiple wash outs, flooding, road closures, breaching dams, and lots of road work following each storm.

We stated last year that we wanted to work on our roads one culvert at a time, and we've done just that. Ham Road's damaged culverts were replaced, and the road was paved in a very short amount of time thanks to the quick and detailed work of Radford Messenger and R&D Paving. The end of South Shore received a shim coat this year to prevent further damage from plow trucks over the winter. Brackett Road and Middleton Road received new culverts as well. Due to the December storm, the Birch Hill cross culvert collapsed, but with the help of Iron Will Contractors it was replaced within the week with the assistance of our road crew. The 7-foot Middleton Road culvert collapsed during this December storm, closing the road to through traffic. A bridge will be built over the void and should be completed by late February/early March. We thank our residents for their patience and understanding during this time, as we know this lengthens everyone's commute and can be a frustrating situation.

Lengthy ditching efforts were made on King's Highway as there were many wash outs reported during the storms. Ditch checks were put in place using gravel to reduce water velocity, dissipate energy, and contain sediment. In 2024, we will be heading back out to King's Highway to increase the size and quantity of materials used for ditch checks due to the frequency and amount of rain we are receiving.

We will continue our efforts at water mitigation in 2024, along with the many jobs that comes with maintaining our roads. We want to thank our residents for their open communication and making us aware of road hazards we don't see. It takes a community and we're so proud of ours!

I want to welcome Doug Filiatrault who joined our team in October as a part-time laborer/maintenance person. Doug has also joined the crew on the road after heavy rainstorms as an extra helping hand, which was so needed. Thank you, Doug!

I would like to thank my crew for all their hard work this year. Randy Genest, Pete Masse, and Jagger Bernier have worked short-staffed for most of the year, but they are doing a great job keeping up and getting as much done as we can.

I would like to thank my Office Manager, Judy Purington, for all the hats she wears and the continuous work she does to keep this department and the crew on track.

I would also like to thank Les Leary for his willingness to volunteer his time to assist us at the Cemetery and for taking care of our trucks and equipment.

Looking forward to 2024!

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Will Cardinal". The signature is fluid and cursive, with a large initial "W" and a long, sweeping tail.

Will Cardinal

Department of Public Works Manager/Road Agent

Town of New Durham  
Solid Waste Facility

(Pictured above: Ron Adjutant, Supervisor Jon Trombetta, Ej Malone, James Gamble III)

2023 proved to be a very productive year for the Solid Waste Facility. Many improvements were made to assist our staff members as well as our residents and vendors. We would like to thank James Gamble III for joining our team over the summer. Having a third part-time member, after being short-staffed for so long, has allowed for more help on busy days, more projects being completed, and efficient and timely clean-ups throughout the yard. Thank you for joining our team, James!

Two new concrete pads were installed in the construction debris area so that our vendors can easily load and offload the containers. The concrete pads also prevent the containers from digging deeper into the ground and shifting, making clean-up efforts easier for our staff members. A new 40-yard MSW container has been added to the fleet of equipment, as our 44-yard container has reached retirement and will be used for additional storage. In addition, new safety railings were installed throughout the Solid Waste Facility, ensuring the safety of our residents and staff members. Metal recycling has an adjustable railing for large items such as boilers and dryers, so residents will not have to lift heavy items up and over a rail.

One of the most important things completed in 2023 was having all the hazardous waste removed from the Solid Waste Facility. Barrels upon barrels of hazardous waste have been stored in the recycling facilities for years, so we contacted our friends at the Northeast Resource Recovery Association (NRRRA), and they got us in touch with a vendor that took it off our hands. We are happy to announce our Facility is 100% free of hazardous waste!

Lastly, we would like to congratulate Jon Trombetta for his accomplishments this year with his Solid Waste training. Jon has gone from a Principal Operator Step 1 to a Principal Operator Step 3 in one year. He is looking forward to achieving his Principal Operator Step 4 in 2024 and then on to his Master. Thank you for all your hard work, your continued training, and work ethic for the Town of New Durham!

Zero Waste continues to haul our Municipal Solid Waste (MSW) and Construction and Demolition Debris (C&D). The Solid Waste Facility received 1,015.33 tons of MSW and 827.56 tons of C&D in 2023. That's over 500 tons MORE C&D than 2022! Way to go, New Durham!

NRRA (Northeast Resource Recovery Association) continues to haul our recyclables and we are very happy with how the Town's residents have participated in actively recycling this year.

- Loose Fibers 41.65 tons
- Plastic 22.5 tons
- Cardboard 67.8 tons
- Glass 57.15 tons
- Tires 254 tires
- Scrap Metal 113.88 tons
- Electronics 8.09 tons
- Freon Units 134 units
- Propane Tanks 321 tanks

Total estimated revenue for fees paid for disposal (i.e. electronics, tires, C&D, etc.) is \$38,167.90. We also collected \$2,095.00 for dump stickers. 2024-2025 dump stickers are sold at this facility, and you may pay by cash or check. You may also go to Town Hall to purchase dump stickers with a debit or credit card. Please remember to check the dates/colors of your dump sticker so they are current! (Penalties apply if not current, so be sure to check the Town's website and refer to the Solid Waste Ordinance).

Any questions or concerns do not hesitate to contact the Department of Public Works office at (603) 859-8000 or [nddpw@newdurhamnh.us](mailto:nddpw@newdurhamnh.us). Information can also be found on the Town of New Durham's website. Thank you for a successful 2023!

Respectfully Submitted,

Will Cardinal

The Ethics Committee is pleased to present a report for 2023 to the citizens of New Durham.

In 2011 the need for a document that outlined the expectations and standards of ethical behavior was needed, so town residents voted to establish a Committee to  
Write an Ethics Policy.

That policy states that the role of the Ethics Committee is advisory and educational. We clarify for the enquirer whether the issue is ethical, legal, or a personnel issue and offer guidance about the next steps the individual may take. The individual then decides to pursue or not to pursue it. There was one inquiry brought to the Committee in 2023.

The Ethics Committee meets quarterly unless there is an ethics inquiry from a resident. In that case the committee will meet as soon as possible with the resident.

In 2023 the Ethics Committee was pleased to sponsor a workshop presented by The New Hampshire Municipal Association for employees, committee and board members and other interested residents on NH's Right to Know Law. We hope to hold another in the fall on Conflict of Interest and how it interacts with our Town Conflict of Interest Ordinance.

In 2023 we welcomed Chris Bacca to the Committee, but also had to regretfully accept the resignation of John Laurie who relocated to Virginia. We also regretfully accepted a leave of absence from Cecile Chase as she stepped up to serve as interim Town Administrator.

We encourage members of the community to attend a meeting and ask questions, and perhaps see if they might like to join the Committee. The Policy and the Rules and Procedures are posted on the Town website.

Any questions should be emailed to the Ethics Committee Secretary, Ellen Phillips, at [ellenphillips1944@gmail.com](mailto:ellenphillips1944@gmail.com)

Respectfully submitted,

# Report of Forest Fire Warden and State Forest Ranger

This past year we observed wet weather in late spring and throughout the summer. This led to reduced wildfire activity throughout the state and allowed many of our state firefighting resources to respond to Nova Scotia and Quebec to assist our Canadian neighbors with their record wildfire season. We were also able team up with local fire departments and provide many wildfire trainings throughout the state.

This time of year, we see fires caused by the careless disposal of woodstove ashes. Before dumping your woodstove ashes, you should place them in a covered metal container until they are out cold. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Even with the lower wildfire threat in New Hampshire in 2023, properties within the Wildland Urban Interface were still impacted, with 8 structures threatened and 3 destroyed by wildfires. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe! We ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2024 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting [www.NHfirepermit.com](http://www.NHfirepermit.com). The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services. You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nh.gov/nhdf/](http://www.nh.gov/nhdf/). For up-to-date information, follow us on X and Instagram: [@NHForestRangers](https://www.instagram.com/NHForestRangers)

## 2023 WILDLAND FIRE STATISTICS

Year	Number of Wildfires	Wildfire Acres Burned	Number of Unpermitted Fires*
2023	99	64.5	42
2022	59	203	48
2021	66	86	96
2020	113	89	165
2019	15	23.5	92

\*Unpermitted fires which escape control are considered Wildfires.

### CAUSES OF FIRES REPORTED

Railroad operations & maintenance	Firearm & explosives use	Undetermined	Recreation & ceremony	Debris & open burning	Natural	Other causes	Power generation, transmission, distribution	Smoking	Arson	Misuse of fire by a minor	Equipment & vehicle use
0	0	22	3	80	4	4	10	1	2	0	4

## LIBRARY ANNUAL REPORT

2023 was another year of growth for our library. We expanded both our adult, young adult, and children's book collections, and added shelving to accommodate the new amount of books. We added adult programs thanks to grants from New Hampshire Humanities. We added another monthly book club for adults. Our program attendance, daily patronage, and circulation statistics greatly increased. It was a very fun year.

This year we received \$4,300 in grants. \$2,500 was awarded to us through the Children's Literacy Foundation (CLiF) for new children's books, of which \$500 went to the New Durham School library for new books. CLiF also awarded us another \$300 for youth programming, and we used the money to create Itty Bitty Kits—take home literacy and play kits for babies and toddlers. We were awarded \$300 from the Governor Wentworth Arts Council for an art program coming up in 2024. New Hampshire Humanities granted us \$1,200 for adult programs.

In addition to the grants received we upgraded the shelving in our children's room and cleaned out and reorganized our adult room, including replacing our meeting table and chairs.

We circulated almost 14,000 print, audio, and electronic books and had over 10,000 people in and out of the library this year. Our book clubs grew in attendance and we added a Historical Fiction Book Club that meets once a month. We continued our homeschool book club. The library's Summer Reading Program had over 75 children, teens, and adult participants. We were able to partner with a lot of local businesses to provide prizes. We also participated with local town departments for summer reading storytimes. The Department of Public Works put on a Touch-A-Truck, Parks & Recreation did an ice cream and playground storytime for families, the Fire Department gave a tour to over 50 local families. We also partnered with The Goodwin Library of Farmington to host Field Trip Fridays during the summer and offered five field trips during June and July.

The Friends of the NDPL created and hosted the First Annual NDPL Ice Cream Trail. We had over 200 people get their trail passports and set out to visit 12 different ice cream shops from Dover to Concord. The winner received a \$100 gift card to Amazon. We also hosted our first Annual LEGO Contest where kids and adults built LEGO creations and competed to win in different age categories. New Durham town employees donated their time to come and be our judges of the contest, and winners received Amazon gift cards. Both the ice cream trail and the LEGO contest will be back for a second round in 2024.

Library Card Sign Up Month was in September, and we competed with other NH libraries in the Granite State Library Card Sign Up Challenge. We offered My First Library Card to children and added over 80 patrons to our library. We came in fourth place in the sign up challenge.

1000 Books Before Kindergarten and 500 Books Before Middle School are two ongoing reading programs we offer to families and we had five children complete the 500 Books challenge and three children finish the 1000 Books challenge.

We ran over 75 programs this year, including our book clubs, Storytime, a puppet show, a magic show, a storytelling hour provided by the Children's Literacy Foundation, Holiday Party, a genealogy program, a history program about the Old Man in the Mountain and the history of skiing in the state, a history of lighthouses in New England, Halloween Trick-or-Treating, and more.

Thanks to generous donations from patrons and the Friends of the NDPL, we were able to provide museum passes to a dozen local places such as The Libby Museum, Squam Lakes, the NH State Parks, McAuliffe Shepard Discovery Center, the Wright Museum, and more. The Friends also hosted the annual Holiday Celebration, provided prizes for our Adult Winter Reading Challenge, hosted the annual Plant, Book, & Bake Sale, and paid for all of our summer reading programs. They also kept up the Storytrail at the Meetinghouse.

One of our long time library administrative assistant, Sheryl Bansfield, made the decision to retire in early 2024. I have really enjoyed working with Sheryl, she has been a great asset to the library and to the community and will be leaving behind big shoes to fill.

The Library is fortunate to have such a supportive community. It has been a fun year and I look forward to all that 2024 will bring!

Respectfully submitted,  
Caitlin Frost

## NEW DURHAM LIBRARY TRUSTEES

The Library Board of Trustees is an elected body to whom your library is entrusted. The Trustees are vested with the custody and management of the library. They select the library director, approve other hires, adopt policies to govern the library's operation, and work for adequate financial support of the library.

In 2023, the Trustees welcomed new member, Marilee DeCoff. The full board consists of Bill Meyer, Chairperson; Marilee DeCoff, Treasurer; Patrice Mitchell, Secretary; and Members John Michaud and Rachel Lamontagne.

The library made upgrades to the outside of the library by replacing the book drop, as well as upgraded the inside with new furniture in the adult room. We also expanded our programming by adding more adult programs: we added an Historical Book Club, hosted history and genealogy programs through NH Humanities, author talks, and gardening programs. We partnered with other libraries and local businesses to provide programming and prizes for children and adults throughout the year.

We received multiple grants this year that allowed us to provide programming and add to our book collection. In total we received \$4,300, including program grants from NH Humanities, and book grants from the Children's Literacy Foundation. The library also continues to provide museum passes to its patrons.

In 2024 we will be saying goodbye to Sheryl Bansfield, one of our long time library employees, as she has decided to retire. We appreciate Sheryl for all the hard work she's done over the last several years and we have greatly enjoyed working with her.

Respectfully Submitted,  
Bill Meyer, Chairman

# **Annual Report of the New Durham Water Quality Committee (NDWQC) for the year ending on December 31, 2023.**

## **Introduction**

The Town of New Durham has 9 lakes and ponds and 84 miles of waterways providing scenic locations for residential housing, prime habitat for wildlife, and many recreational opportunities for residents and non-residents alike. New Durham has three sub watersheds where the water found in New Durham flows. The Merrymeeting flows to Alton Bay, the Beaver Brook sub watershed flows to Wolfeboro Bay and the Coheco River watershed which drains to the Piscataqua River and Great Bay. The NDWQC's mission statement is: Maintain a high water quality standard for the town's waterbodies consistent with the standards for the classes and use of each water body. We conduct milfoil studies, and arrange for management and treatments. We monitor our water sheds and deploy projects to address runoff and erosion. We conduct water testing to monitor oxygen levels, conductivity, nutrients, bacteria, and most importantly phosphates in our ponds, lake, rivers and tributaries. The NDWQC committee currently consists of 6 members and is assisted by 14 volunteers to test six swimmable ponds and some tributaries from May to September. This cost \$2232.00 for water testing of 6 ponds and tributaries May-September. See table 1 for results.

## **Cyanobacteria**

Elevated Phosphorus levels are associated with cyanobacteria blooms. The toxins from these bacteria can be harmful to pets and people. Marsh Pond had a Cyanobacteria Advisory posted from 8/18 - 31/2023 (for Planktothrix). Although the Phosphorus level has improved it is still in the eutrophic range. The greatest point source of Phosphorus in the Merrymeeting River is from the Powder Mill Fish Hatchery.

Recently the State of NH came out with a state wide plan of how to handle the increasing cyanobacteria blooms in our state. 37 NH watershed plans were evaluated and found 60% of phosphorus came from storm water runoff, 11% came from septic systems, 3% came from waterfowl, 8% came from internal loading. As our climate changes, NH recorded the highest rain level in summer of 2023. This caused excessive storm water runoff and cyanobacteria (*Gloeotrichia*) blooms downstream in Alton Bay and Wolfeboro Bay in Lake Winnepesaukee.

## **Septic Survey**

The Health Ordinance, Regulations Pertaining to Certain Subsurface Wastewater Disposal was supported by the committee to help update a data base of all property's septic systems within 250 feet of New Durham water bodies. This required many hours of going through paper files at the town hall and querying the NHDES data base. \$4,200 was reverted to the budget, by volunteers combing these records. It did reveal that many systems were older than 35 years old or no records were located. Also found, were systems that were built for 2 bedrooms that were not updated when additional bedrooms were added subsequently over taxing the septic system. This is ongoing and has been turned over to the Health Officer. Letters requesting information or inspection were sent out in July to complete the data base within one year.

### **Variable Milfoil**

The invasive plant, Variable Milfoil is found in 3 ponds on the Merrymeeting River: Marsh, Jones, and Downing. Since 2007, variable milfoil has been treated in some way annually. This cannot be eradicated only managed. This year DASH (Diver Assisted Suction Harvest) was performed and cost the town \$10,010.00. A NHDES grant of \$5825.00 was also obtained to help subsidize this program.

### **Committee Work**

The NDWQC has had some turn over this past year, but continues to look for interested residents to continue our mission and work with other committees as well as volunteers for testing the ponds.

We have worked with the Planning Board and have recommended no change in the setbacks and buffers in New Durham at this time. The NH Dam Bureau is testing sediments and surveying in consideration of removing/repairing/replacing the Merrymeeting Dam, Jones Dam and the Alton Dam to meet the new requirements of 1000 year storm + 1 foot. A decision may be available in the fall of 2024; another public meeting may be scheduled in Spring 2024. Under a contract approved Nov. 29 by the state's Executive Council, HDR Engineering Inc. will design a modernized hatchery off Main Street in New Hampton for \$7.2 million, which is funded through federal COVID-19 relief funds. In all, construction will cost more than \$50 million and be completed by the end of 2026. A design for the program will be the first step. Powder Mill Fish Hatchery remains under a consent decree, leading to a reduction in fish raised as well as improvements to discharge quality and a maximum output of 12 parts per million of phosphorus.

The Committee has worked on the s319 project which addresses storm water runoff. Phase I, Merrymeeting Lake beach parking lot/South Shore Road culvert/catch basin and paved parking lot was completed last year. Phase II, boat launch storm water runoff is on hold till decisions are made by the Dam Bureau regarding Merrymeeting Dam. We encourage the Town of New Durham, public works department to maintain the drainage ditches, catch basin and culverts in town to control storm water runoff.

### **Education**

A septic survey presentation was given 7/13/2023 in the Community Room to educate the residents of the impact wastewater disposal systems have on water quality. Preliminary findings were compared to water quality findings of the 6 ponds tested by the committee. Septic systems information was linked to the Water Quality town web page. Next swim season the Healthy Swimming Map, put out by the NHDES, will also be linked to the town web site so residents can find out where cyanobacteria blooms are occurring. Information on water testing results and Milfoil were also put out on Facebook New Durham Community and News pages to keep residents informed of what the water quality committee is doing.

### **Eutrophication of Shaws Pond**

In early 2023 the last summer's results were processed to show eutrophication of Shaws Pond. In 2018 it was considered oligotrophic (excellent water quality). By 2022 it had become eutrophic (poor water quality). The committee has been doing further testing on the tributaries and has found there is increase phosphorus, specific conductivity and chloride in the tributaries entering the pond. The residents have all been contacted and notified of the results and are forming an association. They have been advised to take

the LakeSmart survey to see what they can do on their properties to prevent storm water runoff. A shoreline survey was conducted. GPS coordinates and pictures of the tributaries were obtained as well as areas of concern on King's Hwy, the Town Boat Launch and the right of way. Contact has been made with the town engineering firm and a quote was obtained. This has been discussed with the Board of Selectmen and Budget Committee and they are very supportive. We are awaiting Wolfeboro Bay watershed plan (due in Jan/Feb 2024) to supply this information to the town engineering firm. We will work with the road department about the use of road salt in all watershed zones to help cut down on the chloride pollution in our ponds and lake.

**Conclusion**

While we continue to find and correct storm water runoff, other threats include lawn fertilizer and septic failures threaten our water bodies. Those who live near surface water and those who recreate on our waterbodies must share in the responsibility of keeping New Durham's greatest natural resource clean.

Removal of variable milfoil from Marsh Pond.

Variable Milfoil Jones Pond.

Marsh Pond

(1)=Key :

- Oligotrophic (O) <8.0 <3.3 >4
- Mesotrophic (M) 8.0-12.0 3.3-5.0 1.8-4.0
- Eutrophic (E) <28 5.1-15.0 <1.8
- Hypereutrophic (H) >28.0 >15.0
- Nuisance (N) >15.0

CTB=clear to bottom

(2) Secchi Disk transparency is evaluated by lowering an 8-inch-wide metal disk from the side of a boat and measuring the depth at which the disk disappears. This value (2) represents the minimum average transparency since, in one or more samples at this location, the disk was seen clear to the bottom and the depth at the bottom was recorded. As a result, the average transparency may be underestimated.

\*\* Average (Ave.) of 5 readings May-Sept. by WQC/LLMP.

\*\*\* Ave. of 10-11 readings in each of three sites; so, average of 30-33 readings by MML LLMP.

# Parks & Recreation Department

2023 was an exciting year filled with sports and events that kept the town's people active and engaged.

We are still working on our expanded ballfields; that has been exciting and challenging! The project still has not been finished and will continue to be a working project. We have added 9 holes of disk golf at the fields. I would like to thank Paul for all his hard work and helping me design and create the disk golf course and his friend Jamie Callis for donating the disc golf baskets. I would also like to thank Chad and Even for helping clear some of the course for the baskets. I would also like to thank Mike for mowing the newly expanded section of the fields.

We are happy all our sporting events were successful. Baseball and Softball through Kingwoods Cal Ripken Baseball League, Track and Field through Granite State Track & Field as well as Soccer and Basketball were played through leagues made up of our neighboring communities. We are thankful for all the volunteer coaches and community members who gave their time, dedication, and support to our players.

Recreation was pleased to offer various activities in collaboration with other towns' Parks and Rec Departments. Haunted Trails and Light up Your Night Christmas Trail were held in collaboration with the Town of Farmington Parks and Rec. These were some of our most successful events. We also held our fourth Annual Winter Carnival, with a great turnout for the ice fishing derby, chili contest, kids' car making contest, and remote-control races at the Farmington Fishing Game Club, and snow sculpture contest. We teamed up with Rochester Parks and Rec for a Senior trips. We have been teaming up with several surrounding towns for some town wide contests, such as LIGHT IT UP.

The Parks & Recreation Committee would like to thank the Meetinghouse Restoration Committee for letting us use the Meetinghouse to host such wonderful events. Thank you to the New Durham Police and Fire Dept who helped at these events. Thank you to the New Durham Library for partnering and offering event with us. Thank you to Farmington Parks and Rec for hosting the senior bingo. Thank you to all my volunteers that helped before, during and after each event.

Other programs we provided this year were, Gunstock Outreach Ski Program, Free Skate, Open Gym, Town Wide Easter Egg Scavenger Hunt, Easter Hunt at the Meetinghouse, Town Wide Yard Sale, Swimming Lessons, Running Club, Walking Club, Kayaking Club, Paint Night and Trivia Nights at Muddy Road, Nerf Wars, Earth Clean-up Day, Soccer Pick-up Game, Wiffle Ball League, Cribbage on Tuesday, Senior Bingo on Wednesday, Senior Lunch's, Duck Race, Field Trips, Outdoor Movie, Card Making for the Soldiers, Fluffy Puppy Class, Defense Class, Jason Tardy performance, Rob & Jody Dance, Craft Fair, Pumpkin Carving, Learn to Crochet, Senior trip, Trick or Trunk, Volunteer BBQ, 5K Race, Winter Carnival and our Senior Holiday Banquet.

Thank you to all those who participated in 2023 events and our fantastic volunteers. Thank you to all of our business sponsors that help make our sports and events successful. Additional thanks to our neighboring Town Recreation Departments and Youth Organizations. Many bonds of friendship and collaboration have been established and will continue.

We look forward to 2024!

Sincerely, Celeste Chasse, Parks & Recreation Director

# 2023 New Durham Police Department

2023 was another busy year for New Durham Police Department with over 5600 calls for service and over 2140 traffic stops made. Summer months were the busiest times with population doubling in Town. There were 60 motor vehicle accidents in Town and over 363 directed motor vehicle patrols during the year. We just recently hired another part-time Officer and he has started his Field Training. Hopefully he will be ready to patrol on his own by summer. New Durham Police Department is currently down 1 full time Officer and we are currently advertising to fill that position.

The business office was busy this year with resident complaints and requests for copies of reports. The hours of operation for the business office are Monday through Thursday 8:00 am – 3:00 pm. The business office phone number is 603-859-2752. The phone number for the emergency line is 603-859-2751. Please remember to speed up Public Safety response, put your house number at the end of your driveway.

The following is a breakdown of calls for service for New Durham Police:

- Total calls: 5667
- Traffic stops: 2144
- Directed Patrols: 363
- Business checks: 651
- Alarms: 134
- Domestics: 11
- Follow up investigations: 162
- Medical emergencies: 210
- Parking complaints: 22
- Fire alarms: 23
- Police information: 297
- Paperwork served: 188
- Pistol permits: 21
- Property lost/found: 43
- Sex Offender Registrations: 38
- Restraining orders: 8
- Suspicious activity: 87
- Welfare check: 45
- House/property checks: 412
- Criminal mischief/vandalism: 12

Respectfully submitted,

Chief Shawn C. Bernier

## New Durham Town Historian

It is an honor to present the 2023 Town Historian's Annual Report. The return of the annual Senior Dinner was warmly received. The dinner is an opportunity to celebrate the citizens within our community who have reached a specific "calendar date" of maturity. I enjoyed observing the social reconstructions as neighbors and friends greeted one another. Many of them, with great pride in their voices, began their greeting with a joyful disclosure of their age. Each of them is such a treasure to this community.

The presentation of the Boston Post Cane has become a tradition at this event. The beautiful ebony walking cane with its intricately etched 24-krat gold head is ceremoniously presented to the recipient in the presence of their peers. Etched on the head is scrolled "Presented by the Boston Post to the Oldest Citizen of New Durham." Select Board member Dot Veisel announced that the 2023 Boston Post Cane recipient is Christina (Berry) Rice. She has held the title since 2017. A beautiful, engraved plaque will be presented to her. (Christina was not able to attend.) With great pride, we join Christina's family in congratulating Christina on this prestigious honor.

There is a side story to this annual presentation that must be shared. I think it is an unusual situation for any community. In today's world, locating who may be the eldest citizens within our town can be challenging. It was with a bit of disbelief that I learned that two additional women from our community have also reached the age of 102.

Imagine their thoughts when they learned that by the slightest of margins, they were "too young to qualify for the honor of the cane recipient" at 102! However, these ladies should be recognized. I am pleased and honored to share that they are Mrs. Katherine Egeler and Mrs. Pauline Whalen Gardner, who call New Durham their home. The three women's birthdays are all within a few months, to as close as a few weeks, with one another. On behalf of the community, I wish to express the warmest congratulations to each of you on your special birthday milestone. You richly deserve the esteem and admiration of your friends and neighbors.

It is with great appreciation to Mark McFadden for his most welcome company and assistance with the annual pilgrimage to place new flags on the graves of veterans buried in New Durham. The three-day journey covered ten miles of walking to complete this honor. It is a privilege to continue to honor and remember those who have served our country during times of conflict. Anyone whose family's veteran has been buried in New Durham, please get in touch with me to arrange the placement of a flag on their grave.

I was so excited to be invited by third-grade teacher Sandi Swinerton of New Durham School to present the annual "Early New Durham History" to her students. I am impressed at the knowledge they have about their community, but I am always amazed at how much they pick up during our time together. I am grateful for the bus tour around town to share historically significant places, landmarks, and places lost to time. If memory serves me well, this is my 30<sup>th</sup> year presenting this program. Thank you for this opportunity to teach the students about the early history of their hometown.

The following books were purchased and added to the Library Historic Collections section at the Public Library: "Our Nig or, Sketches From The Life of a Free Black," written by Harriet E. Wilson; "A Compendium of Past Walks and Reveals" Dover NH 400 Celebration by Jesse Andrew Galt Cathleen Beaudoin, and Thomas Massingham; "Quaking Dover How a counterculture took root and flourished in colonial New Hampshire" by Jnana Hodson. These books may be borrowed from the Library.

There have been many requests from families seeking genealogy information and burial locations of their family members. Inquiries for information about locations of older homes have come from families looking to relive their childhood memories. Unusual requests from realtors looking for background history about older properties and land surveyors looking for information regarding the perambulation of town lines. I have assisted local committees seeking information to include with their requests for grant funding applications.

I invite anyone sorting their "collections" to consider donating them to the Town Historical Collection. If you are uncertain what to do with items or have other questions regarding this community's history, please contact me at 603-859-4643 or email [cathyo@tds.net](mailto:cathyo@tds.net).

Respectfully Submitted,

Catherine Orlowicz, Town Historian

# Town Clerk 2023 Report

This year in the Clerks office was a year of organization and upgrading our residents' experiences here in the office and while voting. With only the Deliberative Session and Town Election in 2023 the office was able to work on different projects.

In April the office switched software systems to Avitar. This system is widely used by other towns throughout New Hampshire. We did extensive research for months to make this decision. The new software system is an all-inclusive processing system. In prior years we had to use two software systems to complete one single transaction. With Avitar we can do it in one software system, which has significantly reduced processing time and also simultaneously reduced data entry errors. The online system did change a bit, but you can still process registrations and dog licenses without creating an account. As always if a resident has any questions never hesitate to call the office. We hope everyone is enjoying the new system and the efficiency of your visits here in the Town Hall.

During the Town Election in 2023 we had many issues with our older voting booths, with many of them having broken tables, or legs that were becoming unstable. Working closely with the Moderator we started calculating what would make the upcoming heavy election year (4 total) a positive experience for the voters. We found a new style voting booth, that are easy to set up, lightweight, with handicap accessibility at each voting station. Working with the board of Selectman they approved the purchase of the new voting booths with the use of ARPA (American Rescue Plan Act) Funds. We also presented to the Selectman a new electronic voter check-in system. Where the paper checklist is made electronic, (with a paper checklist that is still used behind the scenes for state verification), this allows a resident to not have to be checked in via last name, they can go to any ballot clerk and be checked in quickly, and accurately. The Selectman approved this upgrade also using the ARPA Funds. The town used the new booths, and voter check-in during the Presidential Primary January 23, 2023, where we had 1,173 registered voters come through. The residents gave positive feedback on all the changes, and we look forward to using them in the future.

Important Dates to Remember for 2024:

March 12, 2024, Town Election at New Durham Elementary School 8:00am-7:00pm

April 30, 2024, Dog Licenses are due.

September 10, 2024, State Primary Election at New Durham Elementary School 8:00am-7:00pm

November 12, 2024, Presidential Election at New Durham Elementary School 8:00am-7:00pm

As always thank you to the residents of New Durham for your patience and kindness throughout the year. As a reminder our current Office Hours are Monday 8:00am-6:00pm, Tuesday, 8:00am-6:00pm, Wednesday, 8:00am-4:00pm, Thursday, 8:00am-6:00pm and by appointment only on Friday.

Respectfully submitted,

Alicia Housel

Town Clerk

# Tax Collector Annual Report

It is hard to believe that my first year here as Tax Collector/Assistant Town Clerk has passed. It has been a pleasure meeting and working with the residents of New Durham.

The office has been quite busy. The hours for the Town Clerk/Tax Collector have expanded. We are now open Monday, Tuesday, and Thursday from 8:00 am to 6:00 pm and Tuesdays are 8:00 am to 4:00 pm. We also brought in a new software company this year. For the year 2023, the Tax Collector's office brought in \$5,670,352.72 in Property Tax Revenue.

You will see with the new software there is a different Tax report in the annual report. I have listed below what the abbreviations are to help understand the report.

Warrant:  
XXXX- Year  
L- Lien  
P- Property Tax (1 & 2)  
G- Gravel Tax  
T- Timber Tax  
U- Current Use

I am looking forward to 2024 and serving the Town of New Durham!

Respectfully submitted,

Janelle Guarino  
Tax Collector/Assistant Town Clerk  
603-859-2091 Ext. 2

The Zechariah Boodey Farmstead Committee Members are pleased to present the following 2023 Annual Report.

### **“Boodey Hometown Revels” Celebration**

What a delight it was for all of us with the Zechariah Boodey Farmstead Committee, seeing the smiling faces and folks visiting one another and having a great time at the Boodey Hometown Revels event held July 15, 2023. The event was gifted a day without rain!

The day began with a celebration of the achievement of a major milestone for the Zechariah Boodey Farmstead Project. A groundbreaking ceremony was held, made possible with the support of our community and by a significant offer made by a local business, Ironwill Contractors from New Durham, NH. John and Wanda Chamberlin, their family, and crew are donating their services, materials, and equipment toward the installation of the parking lot (rough grade), the installation of the state-approved septic system, the excavation for the foundation of the building, and drainage needs for the site per the approved site plans. Their very generous offer equals a donation of \$41,000.00.

John Chamberlin was invited to join the current Zechariah Boodey Farmstead Committee and Select Board representative members for the symbolic gesture of digging the first shovel full of soil while the song “To Dream the Impossible Dream” played in the background.

The day was filled with fun and celebration. Many people were observed clapping their hands or tapping their feet to the sweet sounds of bluegrass tunes, and some were moved to even dancing. Yummy BBQ and root beer floats sold out. The spinning of old tales captured the attention of the young and young at heart, accompanied by the gentle sounds of the flute. The clip-clop of the hooves from the horses drawing their wagon transported passengers back to a time when this mode of travel was a common way of life. The murmur of voices as demonstrators engaged folks by sharing their skills and talents used daily in their traditional trades and arts and explaining how the old ways are still relevant to today’s way of life.

We want to thank our valued partners, Cedar Mountain Blue Grass Band, Mitchell Hill BBQ Grill & Brew, Marzbar Sweets and Treats, Muddy Road Brewery, Papa Joe Storytelling, Stoneboat Farm, Miller Farm, Charles W Canney Camp #5, Sons of Union Veterans of the Civil War, NH 12th Infantry, New Hampshire Farm Museum, Shawn Perry of Perry Preservation Carpentry, New Durham 1772 Meetinghouse Friends, New Durham Parks and Recreation, and Zechariah Boodey Farmstead Collaborative for an amazing day and a memorable event. Success belongs to you.

A special thank you to our volunteers who helped accomplish so much leading up to this annual event and all that was needed for the day of the event. These volunteers gave many hours to prepare the site, set up, take down, and clean up for the event. Thank you, Mark McFadden, Tom Baker, Karen Whitcomb, Caeli Drummey, Steve Orlowicz, Phil Tucker, Ken Laquire, and the DPW.

Plans are underway for the next “Boodey Hometown Revels.” Mark your calendars for Saturday, July 13, 2024. Join us to celebrate the progress made over 2023.

#### **Ground Breaking News – Site Work Begins**

It’s been an exciting year for the Zechariah Boodey Farmstead Project, and we are excited to share with you what has been achieved this year due to our community coming together through volunteering, in-kind offers of help, or financially supporting the progress. Thanks to the collaborative partnerships from many individuals, businesses, private and public organizations, Town Officials, the Department of Public Works, and the citizens of New Durham, the project achieved a level of development, attracting some very generous offers to move it forward.

John and Wanda Chamberlin, owners of Ironwill Contractors, wanted to do something to help and presented an incredible offer of help valued at \$41,000.00 toward the excavation work for the project. Their offer included their services, labor, equipment, and materials. Their work would consist of installing the state-approved septic system, the parking lot to finished grade, the required drainage features, grading of the site, and the excavation for the foundations of the building. However, the site had to be prepared before their work could begin.

To our amazement, Robert “Bob” Hamilton, owner of Hamilton Landscaping, offered to help with the tree removal process in the area where the septic system will be installed. Bob generously donated his services and equipment to cut the trees, remove the logs, and brush from the site. His help was valued at \$3,500.00. By spring, the sounds of chainsaws buzzing and equipment humming could be heard from the site.

The plans for the site required trees to be removed from the parking area and in the area for the locations of the buildings. This was a much larger project, and the work had to be completed before John Chamberlin could begin his work. We started our search for someone to help.

Johnny Matarozzo, owner of M & M Logging, began his work in early September. It was an impressive operation with many large pieces of equipment. He and Jason Landry, owner of Landry and Sons Logging, worked together to cut, chip, and haul away the remaining trees. Watching the activity of the large equipment consisting of two feller bunchers, the grapple skidder, and the unit that did the wood chipper, delimiting, cutting to length, and the chip blower was impressive. The total cost for their work was \$4,000.00, and the balance would be donated to help the project. The Non-profit organization, Zechariah Boodey Farmstead Collaborative, donated \$2,300.00 to the tree removal cost; the balance of \$1,700.00 came from the Zechariah Boodey Farmstead Committee's 2023 operating budget.

Once the tree clearing was completed, John Chamberlin and his hard workers began removing stumps and debris and leveling off the site. Norway Plains Surveyors assisted by marking out the parking area to be excavated and confirmed that the area was excavated to the required depths. Greymont Earth Materials, LLC hauled in gravel. Al Greymont and his team delivered 18 semitrailer loads of gravel. Following each delivery, Ironwill Contractors would spread the material.

The progress made each day was fantastic. As the cold season arrived, the impacts of a rainy year and unforeseen circumstances changed the work's completion timeline. The excess loam on site, stump removal, the parking area's completion, and the septic system's installation will happen in 2024.

Our verbal expressions of gratitude to these community-minded local business people were warmly accepted; however, they each shared with us that they "are just giving back to their community." Their "giving back to their community" inspired others to follow their lead. It is like the old saying, "One good deed deserves another."

### Preservation Barn Timber Frame Assessment

As many of you know and may have personally experienced, this year's weather pattern created many unforeseen challenges with scheduled outdoor activities. Like you, the barn's timber frame assessment was rescheduled numerous times. Finally, from the end of July into early August, there was a break in the weather.

Perry Preservation Carpentry began their phase of the work with hired crew members, Committee volunteers, community members, and a rented telehandler supporting the heavy lifting, unloading, and laying out of the timber frame. The pieces were placed on cribbing inside the town's salt shed at the Department of Public Works site. The use of this area was such a respite from the sun and rain showers.

Shawn Perry, owner of Perry Preservation Carpentry, final report will document his evaluation of the barn's timber frame pieces for its condition, make recommendations for either repairs to the timbers or replicas of the timbers, and record dimensions of the timbers to assist architects with their technical drawings. He also confirmed the initial tagging of the barn parts when the barn was disassembled and identified the species of the barn parts.

Mr. Perry said the efforts of everyone involved were essential for nearly every day. He wrote, "The commitment of the volunteers was unexpected and especially helpful." His crew recorded 97 hours to complete this phase of the work. He asked that we include "his thanks to everyone and to include the Town's Department of Public Works."

The field notes, drawings, and photographs collected when the Mooney/Damon barn was disassembled were referenced many times and helped a great deal with assisting with tag and timber identification. Mr. Perry complimented the committee on the care, depth of detail, and amount of information documented when the barn was disassembled. The information was vital during this process and will be essential in future phases of the project.

Once Mr. Perry finishes the assessment report, the project will have the necessary documents to contract with an architectural firm, develop the technical drawings needed for budgetary quotes, and develop a solid plan for reassembly and construction for this important historic preservation project.

We want to thank Al Greymont. Before this work began, the storage trailer had to be relocated to the work area. Greymont Trucking volunteered to move the storage trailer, and once the work was done, the trail was moved back to its original location.

We want to thank Mr. Perry, his crew, Mike Egeler, Steve Orlowicz, Scott Drummey, the Select Board, and Committee member Crissa Evans, who helped feed the team of workers and the Department of Public Works employees. We could not have done this without you.

In closing, we feel it's a proud moment in New Durham that our community has come together to support the progress of the Zechariah Boodey Farmstead Project. On behalf of the Committee and the town's citizens, we thank everyone who has donated time, materials, services, and funding to make this possible. Your contributions will never be forgotten.

*"Preserving the Past to Support the Future"*

Committee Members: Catherine Orlowicz, Chair; Frances Frye, Vice Chair; Cheryl Cullimore, Secretary; Scott Drummey, Crissa Evans, and Catherine Murzyn

## 2023 Zoning Board of Adjustment Report

The New Durham Zoning Board of Adjustment (ZBA) is authorized to hear the following four types of cases: Appeals of Administrative Decision, Requests for Special Exceptions, Requests for Variances and Requests for Equitable Waivers of Dimensional Requirements.

All applications must be submitted to the Land Use Assistant at least 21 days before the ZBA meeting. Prior to submitting an application package to the ZBA it must be submitted to the Building Inspector at least two weeks before it is due to the ZBA. The proposed project is reviewed and the Building Inspector identifies required Variances and or Special Exceptions. All ZBA application due dates for both the Building Inspector and Land Use Assistant can be found at <https://www.newdurhamnh.us/zoning-board-adjustment/pages/zba-due-dates-2023>.

If you are submitting an application, please read the Zoning Ordinances, the Procedural Rules for the Zoning Board of Adjustment, the applicant instructions and complete all relevant sections of the application. These are all available at <https://www.newdurhamnh.us/zoning-board-adjustment>. When the ZBA reviews the application, if there is insufficient information in the application package so the Board can make an informed decision the application may be denied without prejudice.

In March 2022 the Legislative Body approved revisions to Article XIV of the New Durham Zoning Ordinance. The intent of the Planning Board's development of this Special Exception was to streamline and eliminate duplication and excess costs in the application process. In practice, however, it made the process more costly, confusing, and complicated lengthening ZBA meetings by 45 to 60 minutes per case. As a result, the ZBA supported a petition warrant article to repeal the Article XIV Section G. The Legislative Body approved the repeal by over 67%.

The ZBA had another busy year, meeting 17 times. The table below shows the difference in the number of cases being submitted to the ZBA over the last five years.

2019	2020	2021	2022	2023
9	15	27	21	17

During these meetings we heard one case involving an Appeal of Administrative Decision. The ZBA agreed with the applicant and overturned the Building Official's decision. There were two requests for a Special Exception under Article XIV one was denied and upon review the second Special Exception was not needed.

We also heard three requests for rehearing of a decision made by the ZBA. Two rehearing requests were granted and the ZBA upheld their original decisions in both cases. One request for rehearing was denied. These cases were appealed to the State Housing Appeals Board (HAB). One case was rejected by the HAB as untimely and the ZBA is waiting to hear the HAB's decision on the other two cases.

In 2023, the ZBA considered 14 applications for Variances. A total of 40 variances were requested. The following variances were requested:

Article – Section	Issue	# Requested	# Granted
Article V Section B.1	Building on a Class VI Road.	3	0
Article V Section D	Building setbacks from road and property lines.	3	1
Article V Section E	Building setback 75 feet from the water.	3	1
Article VI Section C.3.	Location of septic tank and leach fields.	8	8
Article IX Section C.1	Maximum footprint in the Town Center.	1	1
Article XIV Section C.2.	Building setback from reference line.	1	1
Article XIV Section C.3.	Leach field setback from reference line	1	1
Article XIV Section C.4.	Maximum building height	1	0
Article XIV Section C.5.	Lot coverage.	5	1
Article XIV Section C.8	Number of parking spots.	5	2
Article XXI Section C.2.	Making a non-conforming property more non-conforming.	5	2
Article XXI Section F	Building setback from reference line.	1	0
Article XXI Section G	Leach field setback from road and property lines.	3	2

All cases are evaluated on their own merit. The ZBA is particularly concerned when variance requests would make a non-conforming lot more non-conforming, the amount of impervious surface is increased or when measures are not taken to protect the adjacent water body. Measures to protect adjacent water bodies have included removing cesspools and old septic systems and replacing them with modern septic systems which have been moved back further from the water body. Storm Water Management Plans and impervious pavers are other ways applicants have utilized to protect adjacent water bodies.

In July Vice Chair Wendy Anderson resigned from the ZBA. Ms. Anderson had been on the Board for over 17 years and her knowledge and experience will be missed. In July Heather Freeman joined the ZBA and will serve until March 2024.

The ZBA has room for 5 alternates members and the Board is actively looking for interested parties.

I would like to thank the ZBA members for all their hard work. They are members Linda Callaway, David Bickford, Bill Meyer and Stephanie Freeman.

Respectfully submitted,  
Theresa A. Jarvis, Chair

# Town of New Durham, New Hampshire

Community Reports

Thank you, New Durham residents for your continued support of Cornerstone VNA, your local independent visiting nurse association serving Strafford, Belknap, Carroll, and Rockingham Counties in NH and York County in ME. As a nonprofit organization, we are committed to bringing services to *people of all ages regardless of their ability*

to pay, so that families can stay together at home, even when facing the challenges of aging, surgical recovery, chronic or life-threatening illnesses, or end-of-life care. We provide award-winning care at home through five programs: **Home Care, Hospice Care, Palliative Care, Life Care-Private Duty, and Community Care.**

Your support of Cornerstone VNA is greatly appreciated and demonstrates your commitment to helping those in need in your community. In 2023, we celebrated our 110th anniversary, a significant milestone in our organization's history. During the year, we recognized our healthcare heroes through history and honored their contributions to bringing the best care to our patients and our local communities. Their passion, commitment, and determination created a strong foundation for our organization that has helped us continue to thrive and grow. In addition to our healthcare heroes, we would not be where we are today without the support of our donors and local municipalities. Thanks to your partnership, we are proud to share some notable accomplishments and updates from 2023:

- Our lymphedema specialty program, which was launched at the end of 2021, continues to experience tremendous success and positive outcomes for many of our patients. Lymphedema is an abnormal collection of high-protein fluid just beneath the skin and can significantly impact an individual's mobility and quality of life. We now have six lymphedema specialists, and the donations we receive help support the supplies and treatment needed, which is not fully reimbursable.
- New this year are three clinicians who are certified in Vestibular Rehabilitation. Vestibular Rehab Certification allows our team to effectively identify, diagnose, and treat patients with dizziness to reduce and potentially resolve their symptoms and significantly impact their quality of life. Improvement in function and fall reduction can often take place within a few treatments, allowing patients to experience positive changes very quickly.
- Each year we continue to grow and strengthen the support services we provide to our local family caregivers. In May, we were able to return to our in-person annual Caregivers Connect event, and we also organized several pop-up Caregiver Cafés in November, with plans to add a fourth monthly café in 2024.
- Our volunteer program continues to grow, and this year we added a certified Pet Therapy dog named Lucy. Lucy visits local assisted living facilities, attends grief groups, and spends time with patients and families who are in need of some love from our friendly Australian Shepard.
- Our Hospice Care program achieved Level 5 status with the We Honor Veterans (WHV) program. This is the highest recognition level of this important program, which reflects Cornerstone VNA's commitment to ensuring veterans have access to quality end-of-life care. According to WHV, Cornerstone VNA is the only partner agency that has achieved Level 5 status in NH, ME, and VT.
- Like many healthcare organizations, we continue to be challenged by the national nursing shortage. However, we have a positive work culture and a strong focus on the recruitment and retention of our amazing team. Our efforts to recognize their hard work, and invest in professional staff development opportunities, have helped us maintain and grow our award-winning team.
- 2023 Awards and Recognition
  - Jeffrey Mitchell, RN, Recipient of Cornerstone VNA's Nightingale Award
  - Best of the Seacoast: Winner of Best Home Health Care, and Finalist for Best Place to Work
  - Best of the Seacoast: Winner of Best Nurse Practitioner, Erin Cullen, and Finalist, Christine Dumont

Thank you again for your continued support. Your investment enables us to provide care for your residents, regardless of their ability to pay and to purchase special equipment for patients in need. Along with access to care, your support funds free community clinics, and patient education, and allows us to launch innovative programs and services. We encourage residents to call Cornerstone VNA at 800-691-1133 if they have any questions.

Respectfully,

*Julie Reynolds, RN, MS*

President/Chief Executive Officer

## **STRAFFORD REGIONAL PLANNING COMMISSION 2023 TOWN OF NEW DURHAM ANNUAL REPORT**

Strafford Regional Planning Commission works with municipalities, statewide organizations and other partners to provide technical assistance with planning documents, outreach, and regulations. SRPC creates a space for stakeholders to connect, share information, and engage with important planning initiatives.

### **2023 Accomplishments**

(Value of each service provided at no additional cost to the town is in parentheses)

- Conducted 3 NHDOT and 3 supplemental traffic counts to support local and statewide planning efforts. (\$1,800)
- Ordered *New Hampshire Planning and Land Use Regulation* books for local land use boards. (\$190.00)
- The Housing Navigator staff position shared between the Towns of Farmington and New Durham was filled in January 2023. (\$63,025) Over the course of the year the Navigator:
  - Held a Community Engagement event that was attended by over fifty community members with a focus on housing, commercial development, a recreational economy and short-term rentals.
  - Helped to develop a new Development Committee under the Planning Board to work on Master Plan updates, residential development, commercial development, recreational development, land use and municipal building planning.
  - Applied for and was awarded a Phase One Housing Opportunity Planning Grant to work on Master Plan revisions.
- Provided transportation technical assistance to the town including:
  - Met with the select board to discuss local project priorities for engineering review.
  - Assisted with road safety audit development and analysis.
  - Assisted with planning of pedestrian improvements downtown.

### **2023 Regional Accomplishments**

#### **Transportation Planning**

- Completed the Transportation System Performance Report that includes highway safety, bridge and pavement condition, system reliability and congestion, and transit asset conditions. (<https://strafford.org/reference/map-gallery/>)
- Created a Municipal Guide to EV Charging Stations designed to remove the barriers for municipalities to increase deployment of EV Charging Stations in the Strafford Region and beyond. (<https://strafford.org/reference/map-gallery/>)
- Updated the Coordinated Public Transit & Human Services Transportation Plan.
- Hired an engineering consultant to review priority transportation improvement projects on behalf of all and at no cost to SRPC communities.

- Finalized the Regional Traffic Counts Dashboard for 2023 Data Collection Season.
- Co-managed the CommuteSmart Seacoast program, a collaboration of SRPC to engage the local workforce to compete in "challenges" to reduce overall miles driven.
- Purchased a Leetron video traffic counter to be used to count high-volume roads, winter roads, and pedestrians along a corridor.

### **Environmental Planning**

- Hosted two Resiliency Roundtables including "Protecting Our Local Food Systems" and "Improving Your Energy Efficiency with NHSaves."
- Established a relationship with Clean Energy NH's Seacoast Region Circuit Rider to provide additional technical assistance to municipalities on community power benefits and local solar ordinances.
- Updated the Groundwater-Aquifer Zoning Ordinance Gap Analysis Tool to incorporate the revised NHDES Groundwater Model Ordinance and reviewed each communities' groundwater protection regulations for basic compliance.
- Mentored a group of UNH Capstone students in conducting research to update the Climate Change Appendix to the 2015 Local Solutions Regional Master Plan.

### **Economic Development**

- Published the 2023 Comprehensive Economic Development Strategy Update. (<https://strafford.org/plans/ceds/>)
- Organized bi-weekly meetings of economic development professionals to provide support, resources and guidance post-COVID.
- Created an Age-Friendly Resource Guide that highlights services where people of all ages can find transportation, healthy food, events, and other necessary resources to thrive. ([www.strafford.org/reference/resources/healthy-aging-resources/](http://www.strafford.org/reference/resources/healthy-aging-resources/))
- SRPC and Community Action Partnership of Strafford County (CAPSC) closed-out the CDBG grant which supported a shelter and day center/warming center for the region's homeless population during the COVID-19 pandemic. This project was critical to slow the spread of the pandemic within a vulnerable population.

### **Data and GIS**

- Adopted the Regional Housing Needs Assessment, which takes an in-depth look at local and regional housing needs, across all income levels, and provides a foundation for change by including tools and strategies for local decision-makers. ([www.strafford.org/projects/rhna/](http://www.strafford.org/projects/rhna/))
- Expanded and updated the Regional Data Snapshot, Interactive Map, and Community Profiles that contain 144 demographics, economic vitality,

livability and quality of life, mobility and accessibility, and resiliency metrics.  
([www.strafford.org/measure/data-snapshot/](http://www.strafford.org/measure/data-snapshot/))

**2024 Regional Goals**

- Review and update the Municipal Guide to EV Charging Stations as needed.
- Support state efforts for broadband and digital equity initiatives.
- Kick-off the 2023-2027 SRPC Brownfield's Program and identify locations to conduct environmental assessments and reuse plans.
- Provide detailed engineering support through a consultant for municipalities developing transportation projects.
- Continue to advance new transportation initiatives including regional climate impacts and equity analysis and planning for increased micro-mobility adoption.

Commissioners: The Town does not currently have Commissioners

# Scholarships Available to New Durham Residents

**“Elmer C. Smith Scholarship” Administered by the Trustees of the Trust Funds  
Trustees of Trust Funds  
PO Box 207  
New Durham, NH 03855**

**Criteria:** The student must be a resident of New Durham and under the age of 21. Funds will be administered after the Trustees of Trust Funds receive confirmation that the student has passed his/her first semester, after he/she has been notified of being awarded the scholarship. Also, the student is required to write a brief paragraph stating his/her reasons for attending college and why he/she should be a recipient of this scholarship. Application deadline is April 1<sup>st</sup>. Application can be found online at [www.newdurhamnh.us](http://www.newdurhamnh.us) under “Boards and Committees” and go to Trustees of the Trust funds.

**Civil War Memorial Scholarship  
PO Box 396  
New Durham, NH 03855**

**Criteria:** The student must be a resident of New Durham and aged 17-22, and graduating senior from high school, or equivalent schooling or a holder of a GED. After the student has been notified of being awarded the scholarship, funds will be administered after the New Durham Historical Society receives written confirmation of his/her passing grades from the first semester of college. Also, the student must write a brief essay on “How the Civil War has made a Difference in the Year 2018”. Application deadline is August 31<sup>st</sup>. Application can be found at [www.newdurhamhistory.org](http://www.newdurhamhistory.org) on the home page at the bottom.

**Chief Douglas J. Scruton Memorial Scholarship Trust  
P. O. Box 207  
New Durham, NH 03855**

**Criteria:** The applicant must be a resident of New Durham and under the age of 23 and graduating senior from high school or a holder of a GED. The scholarship is open to students from New Durham who wish to further their education beyond the 12<sup>th</sup> grade and is administered by the Alton Centennial Rotary Club. After the student has been notified of being awarded the scholarship, funds will be administered after the Association receives written confirmation of his/her passing grades from the first semester of college. The student must write a brief paragraph stating his/her reasons for attending college and why he/she feels that he/she should be a recipient of the scholarship. Application deadline is April 28<sup>th</sup>. Application can be found online at [www.altonrotary.org](http://www.altonrotary.org).

**All scholarship application forms can be obtained at the Town Clerk’s office in the Town Hall.**
