

# Town of New Durham Stormwater Conditional Use Application Form

---

## **PERMIT EXEMPT (TO BE FILLED OUT ONLY BY APPLICANTS ON EXISTING LOTS WHO ARE PERMIT EXEMPT)**

If the project will disturb less than 2000 square feet on slopes less than 25%, or will disturb less than 500 square feet on slopes between 25-30%, no permit is needed but Section II needs to be completed and submitted to the Building Inspector.

Attach a scaled sketch (professional survey, septic design, graph paper) of the lot boundaries, all existing structures or impervious surfaces on the lot, the location of the proposed new structure, and the area of the ground around it that will be disturbed in the process.

I certify that this entire project is on slopes less than 25% and the area to be disturbed is less than 2,000 square feet. I further certify that no more than 20% of my lot is impervious surface, or will be following project completion.
